**METCALF & CHENEY,**

(LATE CHENEY &amp; BRECK,)

No. 5, St. James' Buildings, opposite the Market, King Street,

Manufacturers of, and Wholesale and Retail Dealers in

**STOVES, TIN, SHEET IRON, AND COPPER WARE.**

---

THE Subscribers beg to inform the inhabitants of Toronto and its vicinity, that we are now prepared to supply the trade with Stoves of our own manufacture, of a very superior quality, and we feel justified in saying, that there has never been a Stove introduced into this Province combining more advantages with greater neatness of appearance, and so economical, both with regard to labour and fuel, and which has given so entire satisfaction as the Stove alluded to.

We have also for sale Coopers' Tools, and Cast Steel Axes from the extensive manufactory of Barton & Smith, Rochester, N.Y. Also, Platform and Counter Scales of our own manufacture. A candid and discriminating public are respectfully invited to call and examine our stock and prices before purchasing.

**METCALF & CHENEY.**

 Toronto, May 1st, 1843.
