 *Particular attention given to Consignments of

A LARGE ASSORTMENT OF
PIANOS and ORGANS

Always on hand, and constantly arriving by each steamer from New York
—being the sole authorised Agents for this Colony for the
famous and world-renowned

**STEINWAY and SON, WEBBER and FISCHER ; also, the UEBEL and
LECHLEITER HEILBRON.**

These are the oldest and best makers in America and Germany; and have given universal satisfaction for durability and adaptation to this climate. The above mentioned Pianos are well known. As a proof of this they have been awarded prizes at all the large Exhibitions.

We are also the sole authorised Agents for the ESTEY, KIMBALL and DOHERTY ORGANS. These Organs are pure and clear in tone, and have been approved of by the best players in this country, and are preferable to those Organs with a hard, harsh tone, and a hard touch of the keys. As we import directly from the makers, in large quantities, we are in a position to SELL THEM AT A LOW PRICE AND ON REASONABLE TERMS TO SUIT THE TIMES.

*Our Prices are for the Value of the Instruments, and not
for any unnecessary expenses,*

as we make a speciality of this trade, and have no other business connected with it. Apply for particulars, to
