

TWENTY-SIXTH ANNUAL REPORT
OF THE
COUNCIL OF THE ASSOCIATION.

To the Members of the New Brunswick Provincial Rifle Association:

The concluding duty of your Council is to submit the following Annual Report of what has transpired during the past Association year.

That which first calls for reference, relates to the acquisition of the new Range at Sussex Vale. As intimated in the Council report of last year, the choice of ground had been practically settled at the time of the Annual Meeting, and accordingly your Council, when it met in November, took the final action to secure a lease of the site from Mr. D. M. Fairweather. A lease, mutually satisfactory to Mr. Fairweather and your Council, was shortly afterwards executed and has been recorded in the Registry Office for Kings County. The lease is for a renewable term of ten years from last November at an annual rental of fifty dollars, the Association having the right to occupy after the 15th August in each year. Provision is further made in the lease for a right of way from Ward's Creek Road (so called), and that the lessor shall clear the Range of any growing grass or grain interfering with the view of the targets. At the request of the Council, Mr. Fairweather also consented to the insertion of a covenant that a Brigade Camp at Sussex shall have the use of the Range at any time on payment of the sum of twenty-five dollars.
