### College Team to Japan

The University of Chicago baseball team, with Coach Hadden O. Page and Associate Professor Chester Whitney Wright, of the Department of Political Economy, left August 3 on the "Oriental Limited" for Japan, where they will take part in three international series of games.

The plans just completed include a number of practice games on the way to the Pacific Coast, the schedule already decided upon being as follows: August 10, Missoula, Mont.; August 11, Thompson Falls, Mont.; August 12, Spokane, Wash.; August 13, Olympia, Wash.; August 14, Chehalis, Wash.; August 15, Portland, Ore.; August 16, Sacramento, Cal.; August 17, Olympic Athletic Club, Ewing Field, San Francisco, Cal.

The party is scheduled to sail on the S.S. Mongolia of the Pacific Mail Line, Wednesday, August 25. A stopover of ten days will be made at the Hawaiian Islands, where a series of games will be played with the Oahu Baseball League, which is composed of Chinese, Portuguese, Hawaiian and United States service teams.

On September 10 the party will leave Honolulu on the Shinyo Maru, arriving in Nippon about September 21. From Yokohama the team will go to Tokyo, where headquarters will be established for a month's visit.

## SELLING SEMI-READY "LONELY" SUITS

Big Reductions in The Face of The Wool Famine Caused By The War

John Condon will this week offer 100 semi-ready suits at \$12.50, and 100 summer suits at \$13.50, all beautifully tailored garments which would cost twice the sums named at any retail tailor shop.

"It seems folly to sell for \$12.50 such fine garments as we are now disposing of at our semi-annual summer sale, when we know that wool prices have advanced sixty per cent. since the first gun of the war in August last."

"With over 18,000,000 men under arms, the consumption of wool for garments is tremendous. The average life of a uniform is five and six weeks, and the wear and tear on underwear and socks is just as appalling. Think of the number of uniforms this must mean in a year, and consider that the big majority of these millions are the European peasantry who did not formerly average more than one new suit a year."

Prospect Point last week, after she had struck a rock on a trial trip. Ankle Deep II was built to replace Ankle Deep owned by Count Manowick, which was burned in a cup race in Long Island Sound last year. She was of 300 horse power and cost \$25,000.

The boat was regarded as one of the most serious contenders in the race for the Gold Challenge Cup of the American Power Boat Association, to be held here from Aug. 14 to 17. She was capable of a speed of 57 to 60 miles an hour. It was considered doubtful today whether she could be raised and repaired in time for the race.

**RING**  
 Bob Fitzsimmons in trouble. New York, Aug. 10.—Bob Fitzsimmons, former champion heavyweight pugilist, is in danger of losing his house and farm near Metuchen, N. J., unless he settles a mortgage claim against the property by Mrs. and Ceylon, Professor Wright may return home by the way of Egypt and the Mediterranean or he may go to the Pacific. He expects to be back at the university for his regular work in political economy at the opening of the summer quarter in 1916.

**Will Give Evers Rest**  
 President James R. Gaffney of the Boston Nationals, who is at home in Cedarhurst, L. I., said over the long distance telephone Sunday night that he was not worrying about the possibility that Capt. Evers might quit the game.

"If he's sick and needs a rest, he knows he can have it. We need him on our ball club and we need him badly, but he isn't going to sacrifice himself into a complete breakdown with my approval."

"When he gets here we can thrash this business out. For the present all I can do is to let him know, if he wants to ask me, that I am right there with him with both feet."

**Will Cut Admission Prices**  
 New York, Aug. 10.—Officials of the Federal league, it was stated here today, will soon announce that a policy of popular priced baseball will be put into effect in all of the cities of the federal league. The new prices, it was said, will be like those tested at Newark and include a rate of 10 cents for bleachers, 25 cents for pavilions and 50 cents for the grand stand.

The league, it was said, is making its move to let the supporters of the decline of interest in baseball this season is due to high prices.

**A Bad Deal**  
 The Cooper team to challenge the T. S. Simms team to a game of baseball to take place on the Shamrock grounds next Saturday afternoon. They desire an answer through these columns.

**Rickey Drew Good Players**  
 Branch Rickey appears to have drawn the pick of the prize package of the year in George Slaters and Ernest Koob. Slaters is an all-around player who seems to have the speed of Ty Cobb and the same facility of beating out infield hits. Koob is a prepossessing young left hander with a tantalizing curve and good control for a recruit just breaking into the fast set.

**Will Reconstruct Team**  
 Clark Griffith announces that he will reconstruct his Washington team for next year. He wants to secure some hard hitters.

"Maybe I'll fight him in the future if there's enough money in it."

## EVERS SAYS HE WILL QUIT GAME

Tired of Being Abused, He Says—Intends to go West

Chicago, Aug. 10.—Johnny Evers, field marshal of the world champion Boston Braves, has declared he will leave the Boston club at the conclusion of the series starting tomorrow in St. Louis and go to Colorado or California to forget the worries of pennant campaigning and to build up his health.

"The Braves made known his intention to retire for the balance of the season shortly after the Braves had suffered their third straight defeat on the West Side grounds. A combination of events and circumstances prompted this decision, Johnny stated."

**Not a Rowdy**  
 "I'm tired of being made the butt of a lot of unwarranted criticism," said Evers. "President Ebbetts of the Brooklyn club started making trouble for me by pulling up a remark I made in a heated moment and quoted me as saying that the National League race was fixed. This statement contradicted Ebbetts, later was proved a falsehood."

"Bernie Dreyfus, owner of Pittsburgh, is said to have protested against the short suspension given me after Fred Clarke and I had a harmless run-in in Pittsburgh a few days ago. Dreyfus said he would make me his rival for life. The report sent broadcast after my argument with Clarke pictured me in the role of a rowdy of the basest stripe. I'll pay in full for the character of a thing to bring disgrace upon baseball."

"The attack on my character, however hurt, I have been criticized before many times during my career on the field and guess I can stand a few more, but I don't propose to let a lot of people drive me to an asylum as they have other ball players I might name."

My personal welfare is my first consideration, that's why I'm going to wire President Gaffney of the Boston club my intention to leave the Braves until next spring. I hate to leave the club in the middle of the season and right in the heat of the pennant race, but if I try to stick it out until October I'll be a complete failure. The Trojan attributed the present breakdown to the attack of pneumonia which killed him last winter and to the subsequent fracture of his leg. He has been unable to get any sleep until far, far away from the hammer throwers.

## NEW MEMBERS AT SCHOOL BOARD

Thomas Nagle, G. Herbert Green and Commissioner Russell present—Committee Appointed—May Purchase Site of Millidgeville School

Thomas Nagle and G. Herbert Green, as trustees, attended their first school board meeting last night and they were extended a welcome by the chairman, R. B. Emerson, Commissioner J. V. Russell, who was re-appointed after a lapse of two years, also attended. The personnel of the board differed vastly from a few months ago, those present being the following: R. B. Emerson, chairman; M. Coll, Thomas Nagle, Dr. James Manning, E. R. W. Ingraham, H. Colby Smith, G. H. Green, J. V. Russell, Mrs. Dever, G. Herbert Green, Thomas Nagle and Mrs. Taylor.

**New Committee.**  
 An important item of business was the announcement of committee appointments, by the chairman. They were as follows:  
 Real estate and building committee—M. Coll, Dr. Manning, Mr. E. R. W. Taylor, Mrs. M. Dever, E. R. W. Ingraham and J. V. Russell.  
 Finance committee—J. V. Russell, H. Colby Smith, E. R. W. Ingraham, Thomas Nagle and M. Coll.  
 Manual training and domestic science committee—Dr. Manning, J. V. Russell, Mrs. Dever, G. Herbert Green, Thomas Nagle and Mrs. Taylor.

The chairman also named the visitors to the different schools—the visiting committee.  
 At the outset of the meeting a resolution of condolence lamenting the death of D. H. Nae, was read. Mr. Nae, who had been a member of the board for upwards of twenty-five years, was a valued asset and his opinion counted good deal in formulating the policies of the board. Following the reading of the letter which was sent to the bereaved wife and family, several of the members made appropriate references, culminating the worth of the late member.

A letter from Lieut.-Col. A. T. Skillington, France, thanking the school children for the scrap books to the soldiers was read. The trustees were pleased to feel that the work was so much appreciated by the soldiers.  
 Two letters were received from W. E. Emerson, who offered for sale to the board a property at Millidgeville 100x200 feet, upon which the present school is situated, for \$1,200. The lease of the property expires on Nov. 1, and Mr. Emerson, acting as agent of the Maritime Properties Ltd., offered the proposition, urging that it was a good bargain.

Mr. Emerson was referred to the buildings committee with power to set. A communication was received from J. A. Barry, as solicitor for W. J. Kane, complaining of damage done to Mr. Kane's property by boys attending Central school. He said that the boys not only defaced the building but tore clapboards from it and damaged the roof. The matter was referred to the visitors to the school.  
 Ronald Crew, janitor of Victoria annex, tendered his resignation to become effective September 1, which was referred to the school visitors.  
 The Eastern Securities Company offered for sale to the board \$45,000 worth of St. John school bonds, maturing in

**MORNING NEWS OVER THE WIRES**  
 D. R. McEllan, station agent on the Halifax & Southwestern Railway, Sherburne, was killed yesterday, and Arthur Davis, colored, is being held in connection with his death. Davis jumped on a train and when Mr. McEllan ran out and grabbed him he was thrown back and sustained a fractured skull.  
 An electric storm, accompanied by rain and hail, caused considerable damage to the farming district in Brookville, Ont., on Sunday. Fields of corn and grain were laid waste. It is estimated the loss sustained will be well up in the thousands.  
 An Ottawa dispatch says that the vacancy on the court of Kings Bench, of the province of Quebec, caused by the death of Mr. Justice Gervais, may be filled by the appointment of Hon. Louis Coderre, Secretary of State.

The rural science school in Woodstock closed last evening after a successful four weeks course. Addresses were given by J. B. Daggett, secretary of agriculture, and Director Steeves Biglow.

## Rheumatism

A Home Cure Given by One Who Had It

In the spring of 1891 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bed-ridden with Rheumatism, and it effected a cure in every case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write today.

## DR. FOWLER'S

Extract of Wild Strawberry.

Diarrhoea arises from many causes such as, change of water, change of climate, change of diet, catching cold, the eating of unripe fruits, etc.

Never neglect what, at first sight, appears to be a slight attack of diarrhoea, for if you do some serious bowel trouble may ensue.

Mrs. Wm. Bartlett, Stanley, N.B., writes: "Last summer our little boy, age 1 1/2 years, took diarrhoea. He got so bad he passed blood. We procured a bottle of Dr. Fowler's Extract of Wild Strawberry, and after I had given him the third dose he was all right. I would not be without it, as I consider it a household remedy. It is a Godsend to any family."

There is nothing that can take the place of "Dr. Fowler's." That is nothing "Just as Good."

"Dr. Fowler's" has been on the market for the past 70 years.

"Dr. Fowler's" is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
