PARLIAMENT TO END SESSION BY JULY

CHANGE IN CRIMINAL CODE IS PROPOSED

Opium and Narcotic Drug Laws Are Slated For Amendment

OTTAWA, May 30. — This week the House of Commons begins what will probably be the last month of the present session of Parliament. While there is still plenty for the members to do, progress during the past week has been satisfactory and belief is growing that Parliament will prorogue by Dominion Day. Hon. Arthur Meighen said that the whole history of the present government in respect to the civil service act had been one of "stealthy invasion from the first clause to the last and from the first clause to the last and from the first month of power to the last day."

Whatever reasons had existed for keeping the employe of the income tax branch outside the act, had long since been removed. The government had "yanked" one branch after another out, until one third of the whole civil service was now outside the act. There

would not be one line of the civil service act remaining were it not for the fact that the present government was afraid to lose Progressive support. WARNS GOVERNMENT OF THE SCOURS AT CHURCH

The Minnedosa also brought out Rev. Louis Duval, of Saint John, who is returning to Canada, accompanied by Mrs. Duval, after a lengthy absence in Sierra Leone, where he was enaged in missionary work.

Rex Battle, director of the Mount Royal Hotel orchestra, Montreal, was also on board, while Dr. Bruce Hewson, of London, was in charge of a party of boys being brought out for the Ontario government.

Mrs. N. Palmer, wife of the Canadian Trade Commissioner in Rotterdam, is in Canada for a short time, while Admiral J. Soutendam, of the Dutch Navy, is also here, both of them arriving with the Minnedosa, which brought out a large number of returning Canadians, as well as prospective settlers.

Thin and Nervous

One of the greatest strength givers and producers of good healthy flesh in the world is Cod Liver Extract—
it's full of vitamines.

Thank goodness! that now, when a woman is weak and haggard and don't weigh what she ought to, she knows where to go for help as all druggists are now selling McCoy's Cod Liver Extract Tablets, sugar coated, and as easy to take as candy.

And it's a mighty good thing for skinny, rundown men and women to know that they can get the real Cod Liver vitamines in condensed form, that they can easily carry with them wherever they travel.

Men and women, weak, thin and nervous, are urged to put on weight and get back their health and strength with these wonderful tablets.

One woman gained 15 pounds in five weeks and that's going fast enough anyone.

But be sure and get McCoy's, the original and genuine. Wassons Two Stores, Ross Drug Co., Wm. Hawker & Son, and druggists everywhere are selling lots of them.
