TRY MAGNESIA FOR STOMACH TROUBLE

It Neutralizes Stomach Acidity, Prevents Food Fermentation, Sour, Gassy Stomach and Acid Indigestion.

Doubtless, if you are a sufferer from indigestion, you have already tried peppermint, bismuth, soda charcoal, drugs and various digestive aids and you know these things will not cure your trouble—in some cases do not even give relief.

But before giving up hope and deciding you are a chronic dyspeptic just try the effect of a little magnesia—not the ordinary carbonate, citrate, oxide or hydroxide, but the pure bisulphate magnesia which you can obtain from practically any druggist in either powdered or tablet form. Take a teaspoonful of the powder or two compressed tablets with a little water after your next meal, and see what a difference this makes. It will instantly neutralize the dangerous, harmful acid in your stomach which now causes your food to ferment and sour, making gas, wind, flatulence, heartburn and the bloated or heavy lummy feeling that seems to follow most everything you eat.

You will find that, provided you take a little bisulphate magnesia immediately after a meal, you can eat almost anything and enjoy it without any danger of pain or discomfort, to the contrary, the continued use of the bisulphate magnesia cannot injure the stomach in any way so long as there are any symptoms of acid indigestion.

Wincarnis is more than a tonic—it is a restorative—blood-builder—and a nerve-food all in one. The ingredients that compose Wincarnis are those of which our bodies are composed. They are food and nourishment which blood and nerves crave.

FORD GETS SIX CENTS DAMAGES

Mount Clemens, Mich., Aug. 15.—The jury in the Henry Ford Chicago Tribune million dollar libel suit last night found in favor of Mr. Ford, giving a verdict of six cents against the defendants.

Orry Mullett, foreman of the jury, said that they took "nine ballots that I can remember." The first one, according to Leonard Messel, another juror, stood 4 to 4 in favor of awarding Mr. Ford some damages.

"Does the award of six cents about express the feelings of the jury as to the case?" a reporter asked Mr. Mullett. "It just about does. That expresses our judgment."

History of the Case. It was on June 23, 1916, after Mexican bandits had raided Columbus, N. M., and military preparedness was the issue, not only because of the Mexican menace but because of the configuration in Europe, that the Chicago Tribune printed its famous editorial headed "Ford is an Anarchist."

Editorial writers of the Tribune testified that they had followed Mr. Ford's pacifist propaganda, but had not recognized it as a real danger to the country until a news item was received from Detroit that Mr. Ford was trying to discourage the recruiting of the guard which had called Mr. Ford an "Anarchist." The item, authenticity of which was denied by Ford witnesses, stated that the Ford company would not pay the salaries of employees who went to the borders, hold their places for them or care for their dependents.

It was then that the editorial was written. It called Mr. Ford an "Anarchist" and remarked that his views on disarmament might be different if his factories were on the Rio Grande instead of the peaceful Canadian border.

Counsel for the manufacturer at first filed suit in the federal court at Chicago, but later withdrew it and instituted proceedings in the state court at Detroit. Here the Tribune applied for a change of venue and Judge James G. Tucker of the circuit court of Macomb county, at Mt. Clemens, was agreed upon to hear the case. Selection of a jury began on May 12. It consisted of eleven farmers and one roadbuilder.

A feature of the case was the production of the following:

DODD'S KIDNEY PILLS RHEUMATISM, BRUISES, SORE THROAT, DIABETES, GRAVEL, GOUT, MIGRAINE, NEURALGIA, SCIATICA, LUMBAGO, PAIN IN THE BACK, STIFF JOINTS, SPRAINS, SWELLINGS, INFLAMMATIONS, AND ALL AFFECTIONS OF THE KIDNEYS AND URINARY TRACT.

HALIFAX MAN HAD SUFFERED FIVE YEARS FROM NERVOUSNESS AND STOMACH TROUBLE—HE PRAISES TANLAC.

"Nothing helped me until I got Tanlac and that's saying a good deal, for I have just tried everything during the past five years in my efforts to find relief," said Warren F. Smith, a well-known lumberman, living at 164 Argyle street, Halifax, recently.

"For fully five years," he continued, "I have suffered constantly from nervousness and stomach trouble. My appetite went back on me entirely and what little light food I did manage to force down caused indigestion. If I ventured to eat anything the least bit heavy or rich it would almost lay me out. I would hardly get through eating until my stomach would get as sour as vinegar. I would blot all up with gas until I could scarcely get my breath and have the worst kind of pain in my left side and around my heart. There was a heavy feeling, like lead, in the pit of my stomach and I would often turn so sick that I could retain anything. I would eat or drink. In fact, my stomach was sour and upset all the time. I was badly constipated and so nervous and miserable that I could never get a good night's sleep. I would get up every morning with a mean, nagging headache, and had fallen off fifteen pounds, or more, in weight. I was in no condition to work and just barely able to put in a few days during a month."

"Finally I went to the hospital for treatment, but came out suffering just the same, and have tried all kinds of medicines in the hope of getting something that would help me, but nothing did me one bit of good. Just about six weeks ago I made up my mind to try Tanlac, as so many were telling about the good it had done them, and before I had finished my first bottle I was feeling altogether different. I have taken four bottles now and my appetite is just great. I can eat just anything and enjoy it now and my stomach never gives me any more trouble because my food seems to digest fine and agree with me perfectly. My nerves have gotten about normal already and I have also been relieved of constipation and headaches. I can sleep all night long now and get up in the mornings feeling rested and good. Tanlac has certainly proved its value in my case and I would advise anyone who has any cause for taking medicine to try it."

Tanlac is sold in St. John by Ross Drug Company and F. W. Munro, under the personal direction of a special Tanlac representative. (Advt.)

THIN PEOPLE SHOULD TAKE PHOSPHATE

Nothing Like Plain Bitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force.

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by Ross Drug Co. in St. John and most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body cells with the necessary phosphoric food elements, bitro-phosphate should produce a welcome transformation in the appearance; the increase in weight frequently being astonishing.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy which nearly always accompany excessive thinness should soon disappear, dull eyes ought to brighten, and pale cheeks bloom with the bloom of perfect health. Miss Georgia Hamilton, who was once thin and frail, reporting her own experience, writes: "Bitro-Phosphate has brought about a magic transformation with me. I gained 15 pounds and never before felt so well."

CAUTION:—Although bitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its tendency to increase weight, be used by anyone who does not desire to put on flesh.
