We Invite Comparison

If this company were organized in the east at the lowest present prices, it would be as follows:

8 Pairs Silver Black Foxes, \$12,000 per pair.....	\$96,000
20 Pairs Silver Cross Foxes, \$2,500 per pair.....	50,000
10 Pairs No. 1 Mink, \$150 per pair.....	1,500
5 Pairs No. 1 Marten, \$300 per pair.....	1,500
Total.....	\$149,000

BUT the Yukon Legislature having passed certain laws which enable our company to pay the animals on such favorable terms that they can be ranches so as to pay big dividends on pet basis, as the following figures testify:

8 Pairs Silver Black Foxes at \$4,500 per pair.....	\$36,000
20 Pairs Silver Cross Foxes at \$2,500 per pair.....	50,000
10 Pairs No. 1 Mink, \$75 per pair.....	750
5 Pairs No. 1 Marten at \$125 per pair.....	625
Total.....	\$87,375

CONSIDER CAREFULLY THE ABOVE FIGURES.

This is an opportunity to invest in the Fur Farming Industry, under the most favorable conditions ever offered to an investor. The stock is a bargain at \$20.00 per share, but it is a better one at \$10.00 per share, at which price it is now offered you.

We will be pleased to answer any questions you may wish to ask or send a prospectus on request.

ONLY SIGNATURE OF WILSON NOW NEEDED

Washington, June 13.—Only President Wilson's signature now is necessary to repeal the clause of the Panama Canal Act, exempting American coastwise shipping from tolls. The house yesterday after brief debate and without the formality of a conference, accepted by a system which means so much to the vote of 216 to 71, the senate amendment.

ECZEMA ITCHED AND BURNED

Rash on Legs and Back. Scratching Irritated Breaking Out. Used Cuticura Ointment. Disease Vanished.

Kentville, N. S.—"For about five years I was bothered with a light rash which would appear most heavily on my legs and back. This troubled me most in the spring of the year. They said it was eczema. The eczema itched and burned and my scratching irritated the breaking out. After it broke out I could not obtain more than three hours' sleep each night it pained me so. My legs and back were a solid mass of itching sores."

"I was given some salve and after using this preparation about a week the disease became worse and I could not obtain any rest at night. I used all the patent preparations on the market but they only seemed to increase the suffering and afforded me no relief whatever. About this time a friend recommended Cuticura Ointment to me. However, I had lost faith in all remedies and told him so, but he insisted that I try Cuticura Ointment so I purchased a box. The first application gave relief and in about a week the sores were healing and I was able to obtain a good night's rest. The first I had enjoyed for many months. I continued the treatment for another month and by that time all signs of the disease had vanished. (Signed) Willard F. Allen, May 16, 1913.

For more than a generation Cuticura Soap and Cuticura Ointment have afforded the most economical treatment for affections of the skin and scalp that torture, itch, burn, scale, and destroy sleep. Sold everywhere. Sample of each mailed free, with 32-p. Skin Book. Address Post-card Potter Drug & Chem. Corp., Dept. D, Boston, U. S. A.

CHURCH UNION

Hamilton, Ont., June 13.—Much of the time of yesterday's session of the Congregational Union of Canada was given up to a discussion of the organic union of the Methodists, Presbyterians and Congregational churches. There was a cordial address in favor of the movement by Rev. Dr. Hugh Pedley, of Montreal.

The report of the committee on church union was adopted, but not without some opposition. The question of joining the Presbyterians and Methodists in the establishment of a Theological College in British Columbia was considered and the matter was left in the hands of a committee to report today.
