

We are glad to be able to report that death has not invaded the ranks of the ministerial staff during the year. We feel that this calls for the devout thanks of this Association to Almighty God for his preserving care.

Six brethren have been ordained since our last meeting, namely, Revs. W. Camp, Ralph Hunt, B. N. Nobles, Henry March, W. E. McIntyre and F. D. Davison. Some pastoral changes have taken place which call for a revision of the list last published. These lists of ordained ministers and licensees appear elsewhere in the Minutes.

Report adopted.

Adjourned until evening.

### WEDNESDAY EVENING.

Moderator in the Chair at 7.30 p. m.,

Prayer offered by Bro. Masters, after which the report on Denominational Literature was read by the Chairman, Bro. G. J. Coulter White.

On motion resolved that the report be referred back to the committee for reconsideration. Rev. J. F. Bartlett was added to the committee.

Report on Foreign Missions was read, and after a motion to adopt, was spoken to at length.

### FOREIGN MISSION REPORT.

Your committee beg to report that, not having before them the necessary information, they are unable to give a proper estimate of our home work. It gives cause for special thanksgiving that the health of our missionaries has been so well sustained on the foreign field and that the work has greatly prospered during the past year. Two lady missionaries have been appointed, and will, ere long, start for their field of labor, and this extra responsibility calls for an increase of funds to carry on this grand enterprise.

It gives cause for deep gratitude that our missionaries, Mr. and Mrs. Churchill, have been permitted to return to their native land after ten years of ardent and successful labor among the heathen. It is hoped their intercourse with the churches will be successful in stimulating them to renewed effort to provide means for carrying on our present organization, and we would heartily commend our brother and sister to all the brethren. That the good work may go on until,

Jesus shall reign where'er the sun  
Doth his successive journeys run,"

is the prayer of
