Clause III. at Last. After a little sparring over the question as to whether the amendments to the Municipal Clauses Act should be Resolution by Government on Subject sidered, the way was finally cleared for the consideration of the famous

clause III. And now Ald. Fell found it impos sible to railroad through his amendment. He wished to have it put at once. Ald. Verrinder, however, was in much the same predicament as on Monday night. He wanted the city solici-tor's opinion as to whether the second part of clause III. was workable with-

Mr Mann: "No I don't think so It would require a very considerable

Ald. Gleason now moved in amendment that the first clause be struck out, and the following words be substituted: "All liquor licenses shall be deemed to expire on the second Wedhe renewed by the city treasurer on

the board of licensing commissioners any member of that board, may or the board shall on a resolution from the council, cause at least seven days' previous notice in writing to be sent

solicitor over this very thing, and if it was all right they could go ahead. Ald. Fell and the Mayor now had a tilt, in which Ald. Hanna took part. The net result of which was that Ald. Hanna advised that hairsplitting be ispensed with.

This was finally done, and with Ald. Gleason gracefully assenting, the amendment went through with a rush. From this out all was practically Clause 4 was struck out on motion of Ald. Gleason, and the following insert-
