duced all providing for the discharge of insolvent debtors whose estates have been distributed ratiably among their creditors. Views. He (Blake) then pointed out sevietd, and the house rose at a quarter to Several questions of local interest were eral objections to the terms of Curran's six. put. Sir John. Macdonald, replying to a resolution and amidst general ministerial question by Mr. Casgrain, said that Sir cheers, suggested that, instead of using Charles Tupper was acting as high commis- the language of protest, preference be sioner for Canada at London without given to that of request. It would be exument and that Mr. Colmer would | ceedingly unfortunate if this new parlia-

taker arge of the department on Monday. ment should condemn the proposed ac ANTI-COERCION. Mr. Curran then moved his home rule a coercion bill instead of seeking, by reand anti-coercion resolutions, which he quest, to avert its adoption. He, amidst supported in a speech which aimed at general ministerial approval. suggested a placing on record as favorable to home conference with Mr Curran whereby a thirty-five to forty-seven, the entire rule prominent Canadians-Tory politi- resolution not open to serious exception cians and journalists. The resolution he in its terms by the imperial authorities could be sent. The last proposal of the moved, reads thus: -

moved, reads thus:—

That the parliament of Canada in 1882 adopted ah hunble address to the Queen expressing the hope that a just measure of home rule would be granted to the people of Ireland and that in 1885 by a resolution. The house of commons' sentiments of said address to her majesty were earnedly reiterated and the hope again expressed that a measure of home rule satisfactory to the people of Ireland would be passed by the imperial parliament, and that such measure of home rule has not been granted to the Irish people but on the contrary there has been introduced into the imperial commons by her majesty's government a bill enacting most stringent coordive measures for Ireland, by which the Irish people will be decreased and the proposal of the resolution. The last proposal of the resolution and he suggested that this also be amended. [General applause.] Leaving the criticism of the resolution, the should be applied to Ireland, unnecessarily widened the hostility to the proposal of the resolution, and he suggested that this also be amended. [General applause.] Leaving the criticism of the resolutio

prived of the rights must have that some expression of the first cause was preferable to no that this house has learned with profound returned the importal comgret of the introduction into the imperial commons of the coercion bill above mentioned and protests against its adoption as being subversive of the rights and liberties of her majesty's sub-

of the rights and liberties of her majesty's rubjects in Ireland.

That this house again expresses the bope that
there may speedily be granted to Ireland such a
measure of home rule as is enjoyed in the Domintion of Canade, which, whilst satisfying the national aspirations of the people of Ireland fer
self-government, shall also be consistent with the
stergity of the empire as a whole.

That the granting of home rule to Ireland will
fittingly crown the already glorious reign of Her
Most Gracious Majesty as a constitutional Sovgerign and will come with special appropriateness

wall, spoke in favor of the main motion, and for home rule.

imperial parliament. Sir Charles Tupper said that the ma'ter would be attended to.

In the house of Commons, this afternoon, after routine, Mr. White, minister of the interior, introduced a bill creating a national park at Bauff Mineral Springs, on Monday. Northwest Territory.
Sir John Macdonald introduced a bill

Mr. Blake-I do not recollect that our week.

Mr. Blake—I do not recollect that our address asked for this power.

Sir John—I will look the matter up before the second reading.

The bill was then introduced and read affirst time.

Mr. Tupper, of Ficton, introduced a bill amending the supreme and exchequer courts act, so that appeals would be allowed from county courts in matters wherein they possessed concurrent jurisdiction with supreme courts.

The irish question again.

Hen. Mr. Laurier resumed the debate on the home rule question. He said that he found many similarities between the condition of Ireland to-day and that of the people of lower Canada 50 years ago. He pointed out that Lord Durham had set forth, in his report on the causes of the rebellion, that it was largely due to the rebellion, that it was largely due to the rebellion, that it was largely due to the remaining the surface and also to reduce the age of responsibility of men to 18 years under the operations of this law.

Questions were then in order, and some 18 (few of which possessed general public interest) were put.

Mr. Tupper, of Ficton, introduced a bill sweek.

Thompson, Minister of Justice, to prevent appeals to the imperial purise of initiate of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imperial purise of justice, to prevent appeals to the imper

forth, in his report on the causes of the rehellion, that it was largely due to the systematic checks made to the natural aspirations of the Canadian people to a spiration of local self-government for this ry. Mr. Laurier then elicited the first hearty cheer of the debate from both sides, by saying that under home rule sides, by saying that under home rule of the control of the interior, replying to Mr. Gordon, said that the dominion government would desnatch an expedition

Mr. Landerkin, South Grey, taunted the members of the government with not the members of the government with not having dared to say a word favorable to home rule for Ireland.

The question was then being put when the Bake asked that the government, which had twice allowed this question to the order paper, should give some expression of opinion.

Mr. Landerkin, South Grey, taunted application for the British tory corrected the members of the government with not to suit all purposes has been obtained, after boring one thousand feet. The buildings are all join the down and argued that benefits attending upon home rule in Canada, showed consults four feet deep in the balast. There it remained for six weeks from the until April 19th—and was only removed from its temperature as largely as possible in the common affairs of our common empire, are to be strictly considered the policy.

The question was then being put when the government, which had twice allowed this question to colonial office, and our colonial kine and one connent, the the took the body, wapped it up in canvass, tarred it to into a corner, to be the plaything of the colonial office, and our colonial kine and one countered to the bold of the vessel and but the end of the tree the buildings are all join. The question was then being put when the vessel and was oposible in the common affairs of our common empire, are to be strictly confinite four feet deep in the balast. There it remained for six weeks from March 4th until April 19th—and was oposible in the common empire, are to be strictly confined to specified subjects, and even in

Mr D G Smith of Chatham, editor of the Advance, have appeared in some of the papers of the province and will, no doubt, attract the attention of sportsmen to "The Miramichi" which is the name given this profit eight hundred and fifty thousand dollars, which is the name given this profit eight hundred and fifty thousand having been made to the Fiji government this profit eight hundred and fifty thousand having been made to the Fiji government and dollars have been divided among its stock.

the king's soldiers.

The following Jubilee Ode was quoted a few days ago in the legislature of Nova Scotia by the seconder of the Jubilee merits, in comparison with other offorts Jewelery, in the same direction by more famed poets, it will, on account of its local authorship

With joy beams every eye, Each heart with hope beat high

To-day where'r you m Her flag unfurled.

Among the great and good
Around thy throne who stood,
Thyself the queen.
Unstained thy reyal crest

Better than gems and gold The chaplet which we fold The love of millions blest
At home, and cast and west

'mong millions free; Led by Heaven's favoring ray, Through all thy golden day Arms held thy foes at bay, By land and sea. One thought our hearts oppress, We mark with deep distress One shadow lower. Life cannot always last;

The good, the loved, the true,
Despite all we can do,
Must pass from gut our view
Beyond recall.

Where the new system of time notation Mr Moffatt was a quiet, unobtrusive member of Parliament, a conservative in politics, and enjoyed the respect and esteem of his fellow members.

"Elarl"

We refer those of our readers who are interested in the introduction and breeding of superior horses to the advertisement of Mr. D. T. Jahnstone. The horse production of the public free of charge.

o'clock midnight.
