amination at the close of the present term. Mr. Perry, who succeeded H. W. Peppers in the school manage-ment, has proved himself to be a the prettiest in the province. Although there has been but little hot weather, vegetation has been very rapid and crops are promising. Several deer have been frequently seen in the province.

In the primary department the examination proved that success had attended the teacher's efforts in instructing and advancing the pupils up to the 4th grade. Singing, recita-tions, reading and spelling showed the proficiency and progress made during the present term. At the close trustees G. W. White and H. J. Clark complimented teacher and pupils. Some of the latter on having made full time during the term were awarded prizes by the trustees. The teachwas encouraged in her work by seeing many visitors at the examina-tion. Before dismissing the little ones were treated by the trustees to a supply of candy.

The Crabb boys, charged with burning S. Lloyd's buildings, have ned two trials. In the first the jury stood ten to two, and at the second trial the jury stood eleven to one for conviction, after which the prisoners were sent back to jail for the third trial. At the first trial they were defended peot to go to Normal school in Sepby Lawyer Gregory and in the last by Allison Connell and S. Appleby.

BLCCMFIELD STATION, June 28. -The public examination in the superior school took place yesterday, a large number of visitors being present. The grading examinations took place last week. For next term there will be about eight pupils in grade IX. and two in grade X. Two others extember and two have been going most of the past year to the Grammar

school at Sussex.

This is the third week James Pickle school at St has been working about here with the road machine, which seems to be more

in demand every year. Since the first of the mouth about two tons of cheese have been made at

the factory here. An interesting missionary meeting was held here two weeks ago, when Miss Veazey, lately returned from Japan, gave an account of her work, from which it would seem that in that land of the rising sun everything is not so bright as some of us have been led to suppose. Sergeant Staff Clerk Moore is found at the orderly tent, and as in the past ever ready to impart any preached on Sunday evening in the Baptist church. news at his command to the correspondents of the press. There are now nine hundred and forty-five men of all ranks in camp, and the best of

order and contentment prevails. The work of drilling has fairly begun, the excellent music of the bands render-ing cheer to the men at drill. There are no sick in the hospital tent. Lieut. Col. McLean, commander of the 62nd Fusiliers, is in camp today, and Surgeon Lieut. Col. McLearn arrived here this afternoon from London, Ont., where he had been employed as principal medical officer. MAUGERVILLE, Sunbury Co., June Revised Every Monday for the

Weekly Sun.

COUNTRY MARKET. Potatoes are very plentiful, very dull, and tending easier in price. Beef is scarcer and dealers say they look for an advance, as buyers report difficulty in getting cattle. Farmers do not appear anxious to sell. Eggs are rather firmer than a week ago. Chickens vary widely in price, according to size. New Brunswick strawbernies have now taken the place of the Ontario fruit. New vegetables are coming in more freely each week. The market, generally speaking, is well supplied and any ones show.

There were ten eteamers in port on Saturday, and eight or nine square rigged vessels, and the husiness of loading deals is now very active. The British market has, however, turned easier in the last two weeks. There is no improvement in the American market and shipments continue very small by comparison with former years.
