Ohief interest centred in the annual sermon preached in the Christian Tabernacle by Elizabeth Greenwood of New York, world and national evangelist superintendent. The texts were first Corinthians, 1-17: "For Christ sent me not to baptize but to preach the gospel; Matthew, 5-17: "I am not come to destroy but to Iulfil."

The supreme thought in the discourse was preaching the gospel. She said that all history teaches wisdom of right doing and folly of wrong doing. The speaker instanced Robespierre, Lord Jeffries, Louis XIV. and Czolgosz. Methodists occupied Presby Unitarians talked to a Me

Czolgosz.

Here is a notable quotation: "People strive to make Theodore Roosevelt vice-president, that they may remove him as governor of New York and no longer be hindered in their wicked schemes, and behold a most signal and disastrous reversal of their plans. Roosevelt, a man of destiny, becomes president, while his successor, Governor Odell, develops ability to rise above aims and standards of machine politics. History emphasizes the exactness of God's justice." justice."
She pleaded for the objects of the Woman's Christian Temperance Union, and pledged its 300,000 membership to right living.
This afternoon a grand Philippine rally was held at the Opera House, which was overflowing. The question of evangelizing the Islands was discussed from the light of the personal relation of one who had been there, and pledges were secured to maintain a missionary for a year.

ber of Deputies. PARIS, Nov. 18.—An uproarious in cident occurred today in the chambe of deputies during the discuss the bill authorizing a loan of 265,000,00 francs, in three per cent perpetual rentes, to reimburse the treasury for its outlay as a result of the Chinese expedition and to pay indemnities to French sufferers in China. M. Hubbard reported that the budget commission proposed to reduce the amount an to 210,000,000 francs, because objection was taken that France should advance indemnities to the re-ligious associations and financial enterprises. M. Hubbard's report was extremely anti-clerical.
Ribot (R.) replied to M. Hubbard,

protesting against his report, which he described as shameful, whereupon M. Berteaux (socialist) exclaimed that M. Ribot deserved to have his ears box-ed. At this the centrists vehemently protested, while the socialists cheered. Amid the din M. Deschanel, president of the chamber, called upon M. Berteaux to withdraw. This M. Berteaux refused to do and renewed outcries and banging of desks resulted. M. Deschanel continued to ring his bell until the hubbub was subdued, when he saked the chamber to construct the subway were he asked the chamber to censure M. Berteaux. This was voted. M. Ribot then resumed his reply to M. Hubbard's report, but the socialists rebard's report, but the socialists recommenced their noisy opposition, to
which the centrists responded equally
loudly, until the uproar became so
deafening that M. Deschanel after
vainly clanging his bell and calling for
order, left the chair and the session
