Synod Through Labors Yesterday; Meets in Fredericton Next Year

Kingdon Memorial Will Take Form of Augmentation Fund for Salary of Clergymen--Seven Sections of Removal of Rectories Act Adopted--Opium Resolution Carried Unanimously.

The synod of Fredericton closed its sessions yesterday afternoon and adjourned to meet in Fredericton on the first Monday of November, 1911. The closing hours of the synod saw much business transacted, but even though the members were kept particularly busy during the entire session there is much unfinished business to go over to the next meeting. Two sessions were held yesterday. In the morning a number of matters were considered and the answer of His Majesty King George to the respectful homage of the synod was received. In the afternoon the session was largely occupied with the consideration of the act which had been prepared by the committee on the removal of rectories. Seven sections of this act, which will have an important bearing upon the status of clergymen and their rectorial standing were approved by the synod and the whole act sent to committee to be brought up again next year. A substantial part of the work of the synod was done at the morning session and it was agreed that it should take the form of a fund for the augmentation of clergymen's stipends.

Morning Session.

When the synod opened in the morning the Bishop read a cable reply to the message of loyalty cabled to His Majesty King George V. on Wednesday night. The reply was as follows: "The Bishop of Fredericton, St. John, N. B.: 'The King thanks the Synod of the Diocese of Fredericton for their loyal assurance and prayers.'"

"A BIGGS."

His Lordship also referred with pleasure to the expression by the executive of the N. B. Baptist Association of their willingness to co-operate in securing religious instruction in the public schools.

Order of business was suspended to allow Rev. Father Conners to introduce the following notice of motion: "To propose a new canon to the effect that 'No party to a (so-called) marriage after a divorce granted for any cause arising after marriage shall hold any office, parochial or diocesan.'"

Notice of motion was given by H. B. Schofield as follows: "That the form for statistical returns for the parishes be referred to a special committee for amendment and revision to be presented at the next session of Synod."

Notice of motion by Dean Schofield as follows: "That a committee of the Synod be appointed at a session of the Synod to whom shall be referred the question of feasibility of inaugurating a plan for the support of the clergy by the request that they report details of such a plan at the next session of the Synod."

Rev. Father Conners gave notice of motion regarding changes needed in the records of statistics.

H. B. Schofield moved in amendment that the committee be appointed to carry out the revision as provided in a previous motion and the matter be referred to that committee. Carried.

OBITUARY.

George Lynch.

Digby, Oct. 5.—Digby lost a wealthy citizen in George Lynch, who died Wednesday aged 82 years, 40 of which were spent in Digby. Deceased was a native of County Donegal, Ireland, and removed to Digby when he was 14 years of age. Before he was 30 years of age he was one of the prosperous merchants of St. John and later formed a partnership with Thomas T. Grindon, under the name of Grindon and Lynch, wholesale grocers and liquor dealers. Besides being heavily interested in shipping in 1849 and while still a member of the firm, he went to the gold fields of Australia and being successful there returned to St. John after a few years' absence, when the first death of Mr. Lynch then resided several years in England and came to Digby where he has since enjoyed a retired life. He was married twice; first to Miss Mary Ann Mills, of St. John who bore him five children, two of whom survive, viz: Thomas, Lynch, Digby, and George Herbert Lynch of Grand Mont. His second wife was Miss Mary Pickham, of St. John, survives. No children resulted from this marriage. In religion he was an Episcopalian and ever ready to assist Holy Trinity parish financially and otherwise. The funeral will be held Friday afternoon, Rev. William Driffield officiating.

Miss Julia E. Spiller.

Miss Julia E. Spiller passed away at her home 262 Union street yesterday morning, after an illness of several months. She was in her 87th year, having been born in this city on Sept. 6, 1823. Miss Spiller had a great many friends in various sections of the city who will regret to hear of her death. She is the last of the charter members of Brussels street Baptist church, and until a short time ago was a prominent member popular with all the congregation who knew her. She is survived by one brother, Manford, who is at present in the States, and several nieces. Miss Spiller had been ill since last spring when she dislocated a limb in falling. She had been blind through illness for 25 years.

ALD. BAXTER TAKES OATH

New City Recorder Sworn In at Special Meeting of Council—German Street Paving Authorized.

The city council met in special session yesterday morning to consider the German street paving project. At the same meeting Ald. Baxter tendered his resignation as an alderman in city recorder. His worship the mayor presided. The aldermen present were McDougall, Hayes, Jones, Holdrege, Sprout, Russell, Elkin, Potts, Scully, Baxter and Vanway. E. T. Sturdee, P. W. Thomson, W. C. Allison, L. G. Crosby and E. Peters were present as Robert Low, of the Hassam Company.

A report of the special committee meeting held on Wednesday was presented asking the council for direction in view of the fact that making a loan would cost more money than the \$10,727 voted for the work. The petition of the German street residents was also read, and it was explained that some signatures were yet to be secured. It was decided to permit the common clerk to allow one of the German street petitioners to have the petition for a week to secure these signatures.

On motion of Ald. Jones the report of the German street petitioners was received and then Ald. McDougall read the following: 2550 sq. yds. opposite at \$2.25, \$5,637.50; 2500 sq. yds. at \$2.25, \$5,500.00; 1000 sq. yds. at \$2.25, \$2,250.00; 1000 sq. yds. at \$2.25, \$2,250.00; 5 catch basins at \$75 each, \$375.00; 1 gully at \$38, \$38.00. Original estimate cost of street, as per attached abstract, \$12,131.50. Difference, \$1,404.50.

The city's proportion, one-half of the above is \$702.25. Under the first tender \$10,727.00 did not include any repairs to the far sidewalk which probably will have to be renewed caused by breakage and changes of grade, approximately 2000 square yards, estimated at \$1.00 per sq. yd., under the new proposition the extra amount of cost to the city is \$200.25. The report was, on motion of Ald. McDougall, adopted, and the contract amended accordingly.

Ald. Baxter's Resignation.
Ald. Baxter said he desired to tender his resignation as a member of the council and thus sever his connection with his constituents, which had extended over a period of four or five years. His only regret in leaving the council was that it had been almost uniformly pleasant. It was something to have stood for the public in the city and to have been able to do so.

There was always need for them and always work for them to do. His relations of the past year with the council had been most cordial and if he was not to continue in a close relationship with the council he would deeply regret the change. He promised to do his utmost to promote the interests of the city and said he wanted the council and the city officials to feel that his best services were always at their disposal. It was to be regretted that he would sometimes make mistakes, but his best judgment would be given to the interests of the city. Ald. Baxter formally tendered his resignation as alderman of Brockton ward.

Ald. McDougall in a brief speech bore testimony to the good work done by Ald. Baxter.

The word "district" should be struck out of the section wherever it appeared. This was decided and the section adopted as presented.

Section 6 was adopted without change. It reads as follows: "The clerk of the council shall be a member of the board of works and shall be in charge of such mission he shall be vested with all the rights, privileges and duties which a rector in charge of an ecclesiastical parish of the Church of England in this province has by law in respect to the church edifices, churchyards, services and spiritualities. Provided, however, that nothing in this section shall be taken to confer upon such clerkman any right to continue in any manner any such mission for any other or greater term, or to vest any other or other person with any such mission, by any canon of the Synod of the said Church made under this Act; nor shall anything in this section be deemed to affect the right to appoint to or remove from any such mission in any manner provided by any such Canon."

Section 7 provided that the church wardens and vestry of aid missions shall have the same authority as those of any self-supporting church. The section passed.

During the discussion on section 7 Rev. Mr. Sampson objected to the final disposal of the act owing to the small attendance.

The Bishop explained that the Act must come before the Synod again. It was then agreed that the remaining sections of the Act should be taken on as read and the whole Act referred to the committee for the revision of the church laws with the information that the Synod had approved of the first seven sections.

Rev. G. A. Kuhring then moved his motion in reference to the opinion of the Bishop that the opinion of the Synod should be published in full in yesterday's Standard. On being put to the vote it was unanimously carried.

It was decided that the next session of the Synod would be held in the city of Fredericton on the first Monday in November, 1911.

The customary votes of thanks were passed and the salary of the secretary was fixed at \$300 and expenses, and that of the treasurer at \$100 per year and expenses. The Synod then adjourned.
