MARINE NOTES.

BATTLE LINE.
Steamer Pandosia, Captain Wright, left Havre, France, last Friday bound for Antwerp.
OVERDUE BARK ARRIVES.
Overdue bark Sierra, from Gullport, Arr. 19, for Buenos Ayres, is reported arrived at Buenos Ayres, Dec. 25.
PUT BACK TO HARBOR.
The small bay steamer Westport III attempted to cross the Bay of Fundy from this port Sunday for Westport, but had to put back on account of the heavy sea.
C. P. R. LINE.
Steamer Montrose, Captain Webster, arrived at Antwerp from St. John, N. B., Jan. 3. She took away 64,000 bushels of wheat, 2,901 sacks flour and other large cargo for that port.
FURNISH LINE.
Steamer Rappahannock, Captain Harkins, was due at Halifax Sunday morning from London. She is coming to this port.
BELL BUOY ADRIFT.
The bell buoy off the eastern end of Partridge Island at the mouth of the harbor went adrift or broke her mooring during the gale Saturday and went ashore at Courtenay Bay flats near the Norton Griffiths breakwater.
HEAVY WEATHER.
Coal steamer Langan left port Sunday for Sydney, C. B. Outside in the bay there was a heavy sea running caused by the high northwest wind. The Langan is a staunch vessel and her commander a good navigator and will no doubt weather the storm. Another coal steamer, the Vabana, is due from Sydney, N. S., and is no doubt having heavy weather coming along the Nova Scotia coast.

NEW LIGHTSHIP.

It is proposed to place a new lightship on the Halifax station, instead of bringing in the lightship from Antwerp, for the winter. The ship is expected to be ready for service about next autumn. Plans and specifications are now out and the vessel is to be known as No. 19. She will be 135 feet, nine inches in length, 20 feet longer than the present lightship, and will be more suitable for the Atlantic. She will be a steel built, have a mean displacement of 670 tons, and carry a crew of sixteen officers and men.

THREE STEAMERS RACING.

Racing for Boston for the privilege of securing first turn at the discharge berth three Norwegian steamers, the Aurora, Odland and Trym, are expected Sunday or Monday from Cuba. They all loaded sugar at ports on the north side of the island and are supposed to have had a hard storming of their turn—Saturday Boston Globe.

ALBERT NEWS.

Albert, Jan. 3.—Nelson Bros. of Lower Cape have taken an extensive contract for spring hauling deal for the Albert saw mill. The mill is of that place. Two men left on Thursday morning to drive through with ten horses and double equipment. The men are Nelson Brothers. As these are very enterprising young men it is to be hoped they will meet with success.

Was Afraid

COLD WOULD DEVELOP INTO

Bronchitis.

Bronchitis begins with a tightness across the chest, difficulty of breathing, and a wheezing sound comes from the lungs. There is also a raising of phlegm from the lungs, especially in the morning. This is at first white, but later becomes of a greenish or yellowish color, and is occasionally streaked with blood.

On the first sign of a cold or cough take Dr. Wood's Norway Pine Syrup and prevent it turning into bronchitis, for once bronchitis gets installed into the system it is only a short step to Consumption.

Mrs. J. Saunders, Toronto, Ont., writes:—"It is with great success I have used Dr. Wood's Norway Pine Syrup. My little girl had an awful cold which seemed to go to her throat and chest, and while she was sleeping one could distinctly hear her wheezing. I was afraid it would develop into bronchitis, so as soon as my husband came home I sent him right away to get a bottle of Dr. Wood's Norway Pine Syrup. As soon as she awoke up I gave her a dose and continued its use until she became quite better. We only used half a bottle. I will never be without it as I consider it invaluable."

Be sure you get "Dr. Wood's" when you ask for it. The price is 25 and 50 cents per bottle. Put up in a yellow wrapper, and three pine trees the trade mark.

FOR SALE

THE SACKVILLE WOODWORKING COMPANY offer for sale as a going concern, its Woodworking Factory and lands at Sackville, N. B. The Factory consists of a main factory building, two warehouses, dry-house, an engine house. The buildings are well arranged and equipped with suitable machinery in good running order. The property contains eighteen acres of land situated just opposite the I. C. R. Railway Station and near the public wharves of the town, with railway siding and public roads adjoining the property.

It is practically assured that the Dominion government will acquire the N. B. and P. E. I. Railway, and that in the near future traffic between Prince Edward Island and the mainland will come by way of Sackville. Also that natural gas will be available for power purposes during the coming year. These features should make the property an especially desirable one.

(Signed) G. H. FLOOD,
Agent of Marine and Fisheries Department.
