

## U. S. SENATE SIDETRACKS PRES. WILSON

Resolution to Debate President's Speech Fails to Pass and is Placed on Calendar.

Washington, Jan. 24.—Action on Senator Cummins' resolution to provide for exclusive consideration of President Wilson's peace address until all senators have expressed their views, was deferred today and it was sent to the calendar after it had been debated two hours. It will require an affirmative vote of the senate to get the resolution up again.

When Senator Cummins called up his resolution today he said:

"I will do all I can to hold the debate to the point at issue. What is it? It is this:

"Ought the debate on some day in the near future to be the duty of the justice of informing the people and advising the president of our views concerning a policy of the most vital importance to which he has told us he is about to commit his government?"

### A Proper Discussion.

"For the proper discussion of the resolution it matters not whether the president is right or wrong. In either case his communication is the most important made by a chief executive of the United States. He so regards it. The whole country so looks upon it and foreign nations so accept it. He has come to the senate frankly and boldly and I assume with all sincerity, saying that he owed it to us to disclose to us the purpose in his mind. Why did he owe it to us to disclose without reserve the thought and purposes in his mind?"

Senator Cummins said the president himself had answered that question when he referred to the senate as a "council associated with me" in international affairs.

### Will Senate Be Silent?

"Are we to sit dumb under this appeal?" asked the Iowa senator. "The time to vote, it is true, has not arrived, but is the council to remain silent while public opinion is forming and public judgment is being entered?"

"If we are not to render an opinion in response to his invitation, it means that he chooses the senate as a conduit through which to pass the new doctrine to the ministers of the foreign affairs of the world and the newspapers or as a setting for a beautiful picture skillfully painted. I hardly believe any man will put the president in the position of having so flagrantly misused the privileges of the senate."

### Resolution Side-tracked.

Senator Stone, chairman of the foreign relations committee, opened discussion in opposition to the resolution, arguing that it would take more than two weeks of the senate's time if every senator took the proposed hour to discuss the subject. He urges that the resolution be referred to the foreign relations committee. Senator Weeks, Republican, of Massachusetts, declared the president in addressing the senate, either was using the senate as a megaphone through which to address the world, or he expected some action. The presiding officer finally ordered the resolution to the calendar.

## SELECT MEDICINE CAREFULLY.

Purgatives are dangerous. They gripe, cause burning pains and make the constipated condition worse. Physicians say the most ideal laxative is Dr. Hamilton's Pills of Mandrake and Butternut. They are exceedingly mild, composed only of health-giving vegetable extracts. Dr. Hamilton's Pills restore activity to the bowels, strengthen the stomach, and purify the blood. For constipation, sick headache, biliousness, and disordered digestion no medicine on earth makes such remarkable cures as Dr. Hamilton's Pills. Try a 25c. box yourself.

### DIED.

MANN—In this city on the 24th inst. James T. Mann, leaving to mourn besides his wife, one son and one daughter. Buried on Friday afternoon, at 2:30 o'clock, from his late residence, 28 Castle street.

## KINGS CO. COUNCIL URGES THAT RETURNED MEN BE EMPLOYED

Resolutions Adopted Point Out That Men Who Never Went to Front Are Holding Positions Which Returned Soldiers Could Fill—Much Important Business Transacted—Court House Waterless.

Special to The Standard. Hampton, Jan. 24.—The necessity of caring for and providing employment for returned soldiers formed the most interesting subject which came before the municipal council of Kings County today. Resolutions were adopted and ordered to be sent to Premier Borden, the minister of militia and defense and Premier Clarke of New Brunswick emphasizing the desirability of providing for the boys who come back from the front.

The council resumed its sessions at 10 a. m., with Warden J. William Smith in the chair and all the councillors in their places. The councillors were put to some inconvenience during the day by the shutting off of the water from the courthouse through some trouble with the railway supply.

The spectators did not find the session dry ones, however, for much important business was disposed of. The proceedings were harmonious and businesslike throughout.

### Reports Adopted.

The council adopted the report of the committee on public meadows, which pointed out that a number of stone posts marking boundaries on island lands owned by the county had sunk in the soft soil and should be replaced. The report was presented by Councillor Gorham.

When the question of assessing the various parishes for the support of the pauper insane came before the council, Councillor Sharpe moved and Councillor McKenna seconded a motion that the following amounts be assessed:

Cardwell, \$154; Greenwich, \$104; Hammond, \$104; Hampton, \$182; Havelock, \$172; Kars, \$52; Kingston, \$104; Norton, \$52; Springfield, \$77; Studholm, \$260; Sussex, \$49; Sussex town, \$32; Waterford, \$132; Westfield, \$104.

The motion was adopted.

On motion of Councillor Sharpe, seconded by Councillor McKenna, it was voted to order the assessment of \$1,000 on the county for interest and sinking fund on the patriotic fund in debt. Last year \$12,000 in debentures was issued, \$1,000 to be assessed each year. On motion of Councillor Sharpe, seconded by Councillor McKenna, it was voted to assess the county \$6,250 for school purposes.

On motion of Councillor Sharpe, seconded by Councillor McKenna, it was voted to raise \$7,000 for the contingent fund.

### Patriotic Fund.

Regarding the patriotic fund a committee composed of the warden, secretary-treasurer and chairman of the finance committee was authorized to make an arrangement with the Bank of Nova Scotia for an overdraft until returns come in from the \$1 poll tax.

The building committee was given permission to make necessary repairs not to exceed \$75 to the county buildings and was instructed to procure estimates for further repairs and make a report at the next session of the council.

Regarding the municipal home, Warden Smith referred to the fact that a few years ago a number of councillors visited the home at Norton and noted the careful and efficient manner in which the caretaker had attended to his duties. The institution is developing and improving and the county may well be proud of it, he said. The farm is being improved and supports a number of cows, at most sufficient to provide butter for the home. Pork is also raised. At the time of the visit of the councillors, the caretaker asked for an increase in salary. Nothing was done at the time. Councillor Sharpe moved and Councillor Reynolds seconded a motion that the council recommend to the commissioners that the salary of the caretaker, Mr. Loughery, be increased from \$500 to \$600 a year. The motion was adopted unanimously.

Councillor Price moved and Councillor Reynolds seconded a motion that the municipal home commission be authorized to keep on deposit at the Provincial Bank of Canada in Norton sufficient funds to meet current expenses, thus saving exchange on checks drawn on banks elsewhere. The motion was adopted.

For keeping prisoners the council authorized the sheriff to spend forty

cents a day instead of 25 cents because of the increased cost of provisions.

### Returned Soldiers' Problem.

Councillor McKenna, mayor of Sussex, and recruiting officer for Kings, made a stirring speech regarding the necessity of caring and looking after returned soldiers. As recruiting officer he had made prominent mention that the country would do everything possible for those who came back. This assurance stimulated recruiting. Men who had never been at the front were holding positions which he believed should be filled by returned soldiers.

On motion of Councillor McKenna, seconded by Councillor Allan Price, the following resolution was unanimously adopted:

"That the members of the municipality of the County of Kings, N. B., in view of the fact that this county has given to the colors in the present war some 1,500 of her sons, many of whom have already given their lives, or have been grievously wounded at the front, respectfully recommend to the minister of militia that all appointments to the militia be given to returned soldiers as rapidly as competent men can be secured to fill such positions, and that this council is of the opinion that the officers who have held positions at Halifax, St. John, wireless station and prisoners' detention camp at Amherst, in connection with the staff and garrisons, should be elsewhere removed unless they have been overseas as quickly as returned officers are found to be displaced."

"Further resolved that all appointments made for public office be temporary until such time as returned soldiers of competence be found to fill them permanently, and that copies of this resolution be forwarded to the premier of Canada, the minister of militia and the premier of New Brunswick."

It was decided not to hold a semi-annual meeting of the council this year. After the completion of the business, Warden Smith was asked to leave the chair. Councillor Gorham moved and Councillor Armstrong seconded a resolution presented by the secretary-treasurer that the council express its appreciation of the efficient and painstaking services performed by the warden during his term of office. The resolution was adopted unanimously.

The secretary-treasurer extended the thanks of the council to the warden, who on resuming the chair made a fitting reply.

The council adjourned sine die at 4:30 o'clock.

## FOUR BADLY BURNED IN MONCTON DWELLING

Moncton, Jan. 24.—Mr. and Mrs. James Long and two children, Lillian and Roy, were injured today as a result of burns received in a fire in their home in Botsford street this morning.

Mrs. Long struck a match to light a lamp. Flames burst out in the upper portion of the house as gas had apparently been leaking. Mrs. Long was badly burned about the face and arms and her injuries, it is believed, will prove fatal. Mr. Long and children were seriously injured.

Firemen rendered assistance in rescuing the occupants of the house. The flames were soon extinguished, but the house was damaged considerably by water.

### THE POLICE COURT.

In the police court yesterday Private Jeremiah Hanley, of the 62nd Home Guard, was charged with robbing William Foster, a steward on one of the ships in port. It was shown in evidence given by Police Constable McCreese, and Foster that Hanley had another soldier with him who assisted in the robbery. The prisoner was remanded.

Albert Vowles, who is charged with a serious offence, was committed for trial, and admitted to bail, \$600 personal, and two sureties of \$300 each.

Two drunks were fined \$8 each. Edna Hampton, aged 19, arrested at 3:10 o'clock yesterday morning by Police Constable McNeill in Prince William street for not giving a satisfactory account of herself, was remanded.

It is now pretty well known that in musketry work there is no battalion in Canada more efficient.

The orderly officer for today is

## SEVEN ON THE HONOR ROLL YESTERDAY

Active Recruiting Campaign To be Started for 257th Railway Construction Battalion—General Military News.

### HONOR ROLL.

Henry Bijou, Quebec  
Ezior Tremblay, Gloucester Co.  
Edward Conley, Orangeville, Ontario,  
236th Battalion  
Albert Watson, St. John, N. B.  
Canadian Engineers  
Frank McKenzie, St. John, N. B.  
Frank Pidgeon, P. E. I.  
Donald McDougall, Nova Scotia,  
257th Railway Battalion

Seven men were found fit and willing to serve their country yesterday. Two other applications were made to the 257th Railway Construction Battalion, but up until last night they had not been before the doctor.

Lieut. Morton and several assistants were busy last night posting the city with recruiting matter for the Railway Battalion. Today is the opening day of the active campaign to fill the company, which is to be recruited in this province.

Each and every doctor, lawyer, minister and postmaster in the province have been called upon by the officer commanding the unit to assist in the work of recruiting. Yesterday Lieut. Morton mailed to every professional man a letter therein stating the physical requirements necessary for the unit. The letter is designed to recruit a recruiter for the 257th Battalion. The letter requests that the duty of picking out an eligible man and getting him interested in the Construction Battalion. These letters will be followed up at regular intervals with postal cards.

On Sunday night at the Imperial Theatre there will be a monster rally in the interest of the Railway Battalion. Several films of pictures have been secured for the evening, showing the work of the women munition operators in the Dominion. One picture which shows a munition factory in Canada solely operated by women furnishes food for deep thought.

One of the best public speakers of the Dominion will address the audience, as well as one of the officers of the battalion.

Beginning Monday night special meetings will be held in every large town in the province. The battalion slogan is "now or never." The unit is due to arrive in France the first week in April and are therefore out as a time as possible. The physical standard in this unit is not as high as in other units, thereby allowing many men who have failed on medical examinations for others to qualify for the 257th.

The physical standard is as follows: Minimum height—Four feet, eleven inches.

2. Age—Eighteen to Forty-eight.

3. Eyesight—(a) Lowest standard, viz: If he can read D 200 at 20 feet with the right eye, without glasses, and not less than D 80, with the left eye, at the same distance without glasses, he will be considered "Fit."

(b) Recruits whose vision can be raised to standard (a) by aid of glasses. If a recruit can read D 80 at 20 feet, or better, with each eye, he will be considered "Fit." (c) Men who have lost one eye or the sight thereof, but whose sight has not been lost as result of injury or progressive disease within three years.

4. Moderate degrees of flat feet will not constitute cause for rejection and a man who can walk five miles comfortably will be accepted.

5. Fingers and toes—Loss of one or two fingers, either hand, accepted if medical board considers recruit capable of labor, also loss of two toes either or both feet, provided they be not the great toe.

6. Hearing—Men deaf in one ear, but hearing normally in the opposite ear, and whose deafness is not due to existing disease or otitis media, may be passed.

7. Care must be taken to examine arteries of men over forty-one years of age.

### THE FRENCH ACADIANS.

Owing to the commotion caused by removing from the barracks the 165th Battalion has not yet settled down to regular work. Every detail will be completed before the end of the week and then trench warfare will be taken up by Lieut. Pierce.

Two men reported for duty yesterday and are now in the ranks.

General Benson, in company with Brigadier-General Hicken, and the headquarters staff, made a detail inspection of the 165th Battalion yesterday afternoon. The manner in which the men went through the different forms of drill was highly commented upon by the inspecting officers.

It is now pretty well known that in musketry work there is no battalion in Canada more efficient.

The orderly officer for today is

## BIG CHIEF OF MIRAMICHI GETS IN DIFFICULTY

Finds No Pick Handles at Painesec and to Fill Contract with C.G.R. is Given Free Ride to Woodstock.

Moncton, Jan. 23.—How a confused child of the forest got on the wrong trail and how he and his equav were righted is told by Col. John Sheridan of Buctouche, Indian agent and farmer member of the legislature.

Chief Martin Beyrono of the Micmac tribe paid a visit to Chief Rideout of the Moncton police at the Duke street wigwam, where victims of fire-water have oft made their abode temporarily. Beyrono was in serious trouble, but it was not due to joy juice.

### Presented Letter.

Chief Beyrono presented a letter from Mayor McAnn to the other chief mayor asking that arrangements be made to ship himself and family to Woodstock. Beyrono said he had secured a contract to supply pick and axe handles to the C. G. R. and had brought his family and equipment to Painesec Junction to set to work. However, on reaching the Junction, he found that all the suitable wood in that vicinity had been cut by the sons of the forest already in possession of that favorite stamping ground of the noble redman.

As he had not counted on this, he had not sufficient finances to convey his party which consisted of himself, his squaw, his squaw's sister (the primitive child of the wilderness is not immune from some of the tribulations of his white brother) and his two papooses.

### Intelligent Man.

Being an intelligent war-whop, he proceeded at once to Moncton and placed his case before the mayor, stating that if he could get to Daoktown, he would be all right, but otherwise he could not fill his contract with the railway.

The mayor sent him to the chief and the latter set into communication with Col. Sheridan, the Indian agent, who authorized the issue of transportation for the whole party, which left on an evening train for the tall timber where the pick handles grow.

Lieut. A. J. Cyr, with Lieut. A. H. Belliveau next for duty.

### On the Island.

The 9th Siege Battery held a route march on this side of the harbor yesterday afternoon. The unit arrived at Reed's Point about 1:30. Headed by the 115th Battalion band, which is for the present attached to the unit, they paraded through the principal streets of the city. This unit has already made a name for itself by its efficient march discipline, but the manner in which the boys carried themselves yesterday surpassed any previous effort. This was to some extent due to the music of the 115th band, which has improved wonderfully since its departure from the province.

Now that a draft has left, this unit is open to receive at least thirty-five men. Application for enlistment can be made at the central recruiting office.

### MILITARY NOTES.

A large number of friends and relatives of the boys of the Field Ambulance Depot assembled at the Union Depot last night to see the draft off for their new training quarters. There were in all three officers and eighty-five men.

The officers who left last night were Captain McCarthy, who is in charge, Captain McDonald and Captain Walker.

Both Captain McCarthy and Captain Walker are both well known in the city having practiced the medical profession for many years.

General Benson and staff, of Military District No. 6, who have been in the city for the past few days were entertained last night at the Cliff Club.

The use of Dr. Chase's Ointment is wonderfully satisfactory because you can actually see the results accomplished. It is surprising what cures can be brought about in a single night by this great healing ointment.

Mr. George Beavis, 119 James street, Peterboro', Ont., writes: "As a healing ointment, I consider Dr. Chase's the best obtainable. I had a large running sore on my leg, and although I had tried all the prescriptions of two doctors I was unable to get any relief from the pain or to get the sore healed. One day my drug store handed me a sample box of Dr. Chase's Ointment, and I used it with such good results that I decided to give the ointment a fair trial. Altogether I used four boxes, and am glad to be able to say that the sore on my leg is entirely healed up. Since the experience with Dr. Chase's Ointment I have recommended it to many people."

Mrs. W. W. Oliver, Port George, Annapolis Co., N. S., writes: "I am going to tell you my experience with Dr. Chase's Ointment. There was a spot came on my face something like a mole, but it kept getting worse, and several doctors whom I consulted said it was skin cancer, and that it would have to be cut or burned out. I intended having this done, but changed my mind when my brother recommended Dr. Chase's Ointment. Before I had finished one box of the ointment this skin trouble had gone, and has not bothered me since. I cannot praise Dr. Chase's Ointment too much, and you are at liberty to publish this letter."

If you have never used Dr. Chase's Ointment send a two-cent stamp for a sample box, and mention this paper. Price sixty cents a box, all dealers, or Edmondson, Bates & Co., Limited, Toronto.

## A.F. OF L. MEN MAY DECLARE A WALKOUT

President Compers May Have to Fight Strike in Federation's Office in Washington.

Washington, Jan. 24.—Imagine T.R. stamping the country for Woodrow Wilson! Imagine the Kaiser arrested for leading a peace riot in Berlin!

Then try to imagine the American Federation of Labor as an employer of labor fighting a strike of its employees, and President Compers issuing statements denouncing the unreasonable attitude of the strikers' union!

Just the same, the union of bookkeepers, stenographers and typewriters employed by the American Federation of Labor has served demands on that organization for a raise in wages all down the line, a seven hour day and a Saturday half-holiday, and a few other things. And the American Federation of Labor has refused practically all of them and its compromise proposals have been in turn rejected.

Of course if the employees go on strike all good union men are bound as a matter of principle, to boycott the American Federation of Labor until it settles the strike. And—but figure out the other complications for yourself.

### OBITUARY

#### Ernest McBride.

Special to The Standard. Woodstock, Jan. 24.—A telegram received by John F. McBride, of Lindsay, announces the death of his brother, Ernest, in Vancouver. He was in his 61st year, and had been ill for several months with hardening of the arteries. He is survived by the widow, four brothers, William, of New Westminster, B. C.; Hanford, of Vancouver; John F., of Lindsay, and Albert, of Hartford, and three sisters, Mrs. Geo. E. Caldwell, of Waterville, Me.; Mrs. James Watson, of Grand Falls, and Miss Margaret McBride, of Boston. Deceased left here about thirteen years ago and held a government position in Vancouver.

#### Mrs. Charles Glidden.

Woodstock, Jan. 24.—Mrs. Charles Glidden, wife of Charles Glidden of Clifton Brook, died this morning after a few weeks illness from gout. She was a native of York county and had been married about two years.

#### William Gregory.

Fredericton, Jan. 24.—William Gregory died last night at the age of 85 years. He was a native of England and came to Canada when a young man, residing for many years at St. John. The deceased was twice married, his first wife having died about ten years ago.

#### James T. Mann.

The death took place yesterday of James T. Mann after a lengthy illness. Besides his wife the deceased leaves one son, Frederick, and one daughter, Marion, at home. Mrs. M. Johnson of this city and Mrs. Thomas Friess of Sussex are sisters.

The late Mr. Mann was a well known painter, having been in business in this city for the past forty-eight years. The funeral will take place at 2:30 o'clock Friday afternoon from his late home, 28 Castle street.

#### Dr. W. F. Coleman.

The death is announced of Dr. W. F. Coleman, at one time a prominent specialist in this city in diseases of the eye and ear, but who has for many years practised in Chicago. His death was very sudden and occurred in Florida, where he had gone for his health. He is survived by his widow, who was formerly Miss M. Hart of St. John, a former of Major Fred Hart and J. Twining Hart.

#### C. B. Kingston.

Many friends of C. B. Kingston, travelling freight and passenger agent

## Clean Up of Odd Suits

"We won't go into the 'lucky purchase' legend, or the old story about finding a manufacturer who needed instant cash, or the favorite yarn about a manufacturer who had 'cancelled orders' and handed the suits over to us at an unheard of low price, etc., etc.

The facts are—you failed to buy these suits in November and December; so to make a quick clean up, we've reduced the prices—that's the whole story.

\$10 and \$15

for suits that should have sold for \$15 to \$25. Sack suits and Norfolk. Grays, Browns and Blues—Several Blues at \$10. Sizes 34 to 41.

**GILMOUR'S**  
68 King Street

of the Eastern S. S. Corporation with headquarters at Portland, Me., will regret to learn of his death. Mr. Kingston took the S. S. North Star, Capt. Mitchell, at Portland on Monday evening, intending to leave her at Eastport. He was in good health, and spent the evening conversing with his friends, finally retiring to his stateroom. In the morning he was called but did not respond and the door was opened, when he was found dead in bed. His body was put ashore at Eastport.

Mr. Kingston, who had been in St. John frequently, had hosts of friends. He was between forty and fifty years of age, and, it is said, was born at Woodstock. He leaves a wife and two children, a daughter who is married, and a son who resides at Eastport. Mr. Kingston was at one time in the employ of the C. P. R. at Eastport.

**Had Severe Cold  
PAIN IN CHEST  
SPASMODIC COUGHING**

Many people when they contract a cold do not pay any attention to it, thinking perhaps it will pass away in a day or two. This is a mistake for before they know it, it has settled on the lungs.

Too much stress cannot be laid on the fact that on the first sign of a cough or cold it must be gotten rid of immediately, otherwise it may cause years of suffering from some serious lung trouble.

Mr. A. George, 30 Bloor's Place, Toronto, Ont., writes: "Having greatly benefited from your remedy, Dr. Wood's Norway Pine Syrup, I take the liberty to write you a few words about the effect of that wonderful syrup. Two years ago I caught a severe cold followed by a spasmodic cough and pain in my chest. I was treated by many doctors but without any benefit, and also took many proprietary medicines which all failed to cure. One of my friends recommended Dr. Wood's Norway Pine Syrup, and after using three bottles I was completely cured. I recommend it to anyone as a God-send remedy."

"Dr. Wood's" is put up in a yellow wrapper, three pine trees the trade mark, price 25c. and 60c.
