The time occupied in my visitations was considerable, and though it may appear small work to the brethren generally, perhaps they will be surprised when I inform them that I travelled in all 647 miles.

We your Committee, beg leave to report that we had under consideration the Address of the M. W. Grand Master, and join him in offering devout thanks to the Great Giver of all good for His protecting care during the past year, and the manifold blessings and comforts which we as Masons and residents of this beautiful Island now enjoy.

We are pleased to note that neither envy, discord, nor confusion has been permitted to interrupt the peace and tranquility reigning within our borders, and that our relations with Sister Grand Lodges are unimpaired.
