

FAITHFUL GLEANERS.

In presenting this, the first annual report of the "Faithful Gleaners," we desire to express our thanks unto God for His goodness during the year gone by, and trust for His guidance through the year we have now entered.

During the past year nine members have been added to our number.

The average attendance has been eleven.

Seven of our members have been taking leaflets, they have been regularly read at our meetings.

Two quilts were made and sent to the North-West, a special collection was raised for this purpose.

We hope the interest will be still more manifest in the coming year.

In presenting this, the first annual report of the Ladies Aid Society, or the report for the last eleven months, as the society was only organized in February, 1889, we desire to express our thankfulness to God that he has brought us to the close of another year in our service to Him.
