Peace, in A monte, against Mr. H. Stafford, on a trumped up charge of selling liquor without a license, which conviction was afterwards quashed by the Court of Common

Columbia; Mr. DeCosmos, British Columbia; and Mr. Nelson, of New Westminister.

The Hon. Sir John A. Macdonald moved, seconded by Sir George E. Cartier, that the Speech from the Throne be taken into consideration tomorrow.

Mr. Mackenzie desired to be informed if it were the intention of the Govern-if it was the first the succes prosecution of the liquor question. He had been instrumental in getting the by-law (upon which the Licenses were issued)

quashed, at a considerable expense to the ratepayers. The shopkeepers were selling on the authority of their licenses, and unless on take into consideration the speech on the Throne.

Sir John A. Macdonald: It is not.

Mr. Mackenzie said: The speech on the Throne had promised that the "Barrister." The great question was as to

> arises, are the Licenses granted under the quashed by law worth anything at all. This important question has been brought to the test, and will shortly be settled before a Bench of Magistrates."

Bench of M gistrates."

For some time the mode of procedure seems to have been unsettled; but to afford their "worships" a little Judicial practice before taking up the question of the validity was intended to move a vote of want of period on the Honse desired to follow English precedent he should proceed with the discussion of the Address at once. Such the was intended to move a vote of want of the license (a question which was to carry them beyond the limits of their jurisdiction) it was proposed to attack Mr. Kenney for a violation of his license, for allowing liquor sold by him to be drunk on his premises. Their worships conducted this case, with ussion of the Address at once. Such the practice in England. Such a mount of legal acumen, as not to perceive they were actually acknowledging the validity of a license which, in a few days alled together and it would save much Mr. Kenney must be fined in \$10, and now

eturned by the same number of votes, "Barrister was not to be outdone, for the Government had promised to be could, (for the convenience of their worships) merge two charges into one : tha have a commission appointed to investi-gate the matter. The result had been that owing to the pegligence of the license. Their worships must take no no. Dovernment, the constituency was not lice of any opinion save his, nor be troubled with any conscientious scruples, for the cause was a righteous one, and "no appeal" Hon. Sir G. E. Cartier explained, from their conviction. The preliminaries same course had been pursued as and decision being settled, a name for the rould have been followed under the rules information secured, a "Summons" next, and Mr. Stafford appears before their the former Province of Canada. The ownships Being given a very short notice on, member for Lambton had not stated of the substitute for a trial, which was t

contested elections, and there was no now more han ever dreads the adage that her course than to follow the enactment "prostastination is the third of time" but onlying to the late Province of Canada. "their worships," assuring him of their firm lustices had no jurisdiction in his case, and brought up on Certiorari. The (mock) trial statutes supporting the defence offered; O'Rielly's written opinion laid on the table but all are entirely rejected. Why she der of the House, and must accept the opinions or obstruse questions of law sponsibility attaching to that position. Enough for them that "Joseph had spoken the matter was settled." Mr. Stafford convicted and ordered to pay a fine of and costs, in the face of Law, Evidence a

common sense. A short notice appear the Almonte Gazette announcing the re world, that Mr. Stafford is convicted of ing liquor without a license. Mr. Staffe annot allow his unsullied character applies, through his Attorney, for a of Certiorari, which is granted. The An uneasiness becomes apparent in certain quarters at Almonte; the "professional" reoutation is tottering again. But the Gazette ver ready to give the public a false account tion in favor of their "worship's" to the effect that they were not to blame, as "the

passed under the authority of the Total Abstinence Act of 1864. The applicants asked protection for selling without a license, on the grounds that they could not it. The Judge then tells them that it only necessary to have a license but thermust be a by-law for granting them. Bu

he could not mean that the by-law mus exist during the whole term of a license, for Hon. Mr. Holton-The Minister of tavern licenses may be repealed without for which they were granted.

Hon. Sir Geo. E. Cartier said that he returns had been made up in such a way as to be no returns at all. And this is the profound excuse offered by the Gazette to the public in favor of his precious clique! But this is not all. The Gazette would feign have us believe that the have something to say in that. Besides Mr. Kenney's \$23 has been refunded to him! Where did it come from? Who loses the Where did it come from? Who loses the costs of the various "Magistrates Courts" in this case, besides other matters which no not be mentioned? But "they were tected from costs." Well, perhaps all that the magistrates were guaranteed their legal adviser indemnity, on coudit ording to his views. Therefore it may cording to his views. Therefore it may be said "they were protected," but not for the reasons assigned by the Gazette, but for an object, despicable in the eyes of all honorable men, (the propping up of a "professional reputation") an object which has utterly failed in this instance.

It is now quite evident that Stafford and Kenney were victimized to gratify the

Kenney were victimized to gratify ambition of one individual, and contrary all reasonable expectation, instead of (in manly way,) acknowledging their error, of the Cheraonere peninsula is to be protected by a chain of forts. The invasion of the Crimea will thus be rendered a far more difficult and dangerous matter than it was in 1854.

Matamoras is being placed in an efficient state of defence by the Juaristas. The threatened attack on that city bids fair to give rise to international complications. Palacio, Governor of the city, has ordered a stringent blockade of the Rio Grande, against which Gen.

McCook, the American officer command—

cording to a maxim laid down by their own legal adviser, over the signature of "Almonte." And be it remembered that "Almonte." And be it remembered th
