To the Electors of the County of Hants.

in Windsor, on Tuesdal, the folion of coptable for the County of Hants.

The following Properties being all the Real Estate of the late P. M. Cunningham, Esq., deceased with the county and size of the County of this County, have met to-day and decided unanimously, that I should be one of the Candidates to represent Hants in the Local Legis lature of the late P. M. Cunningham, Esq., deceased with the County and size of the late P. M. Cunningham, Esq., deceased with the Candidates to represent Hants in the Local Legis lature of this Province. Should you know and size meeting the county your suffrages, and elect me, I pledge myself to represent you faithfully. I have an abiding hope that the new state of matters in British America Comprising Four FARMS, and at present oc cupied as follows—
No. 1—Farm occupied by Robert Brown—containing 45 acres superior Upland and 21 acres
Dyked Marsh. There is on this Farm a very large and valuable Orchard The House is nearly new and the Barn large and in good order.
No.2—Farm occupied by James Allisen—containing 146 acres of Upland and 25 acres Dyked Warsh. There is also, on this Farm, a very large and valuable Orchard.

Your obedient servant FRANCIS PARKER, Walton, 2nd July, 1867. Aver's Cathartic Pills. A RE the most perfect purgative we are able to produce, and as we think, has ever yet been made by any offe. Their effects have abundantly shown to the community how much they excel the other medicines in use. They are safe and pleasant to take, but

the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action and impart tone and strength to the whole system. Not only do they cure the every day complaints of everybody, but formidable and dangerous disor everybody, but formidable and dangerous dis-eases. While they produce powerful effects, they are at the same time, in diminished doses, the saf-est and best physic that can be employed for chil-dren. Being sugar coated, they are pleasant to-take, and being purely vegetable, are entirely harm-less. Cures have been made that would surpass belief, were they not substantiated by men of such belief, were they not substantiated by men of such exalted character as to ferbid the suspicion of untruth. Many eminent clergymen and physicians certify to the public the reliability of our remedies, while others have sent us the assurance of their consistent as the assurance of the assurance o

Dropsy, Heartburn, Headache arising from foul stomach, Nausca, Indigestion, Morbid Inaction of the Bowels and pain arising therefrom, Flatalency, Loss of Appetite, all diseases which require an evacuant medicine. They also, by puritying the evacuant medicine. They also, by puritying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred disorders arising from a low state of the hody, or obstructions of its functions.

Do not be put off by unprincipled dealers with other preparations on which they make more profit. Demand Ayer's and take no others. The sick wants the best aid there is for them, and they should have it.

should have it.
