

The New Waltham Convertible Bracelet Watch For Ladies

By a new and very ingenious device at the bottom of the case (called the disappearing eye) this watch becomes either a wrist watch or an ordinary watch at the wearer's will.

It is the very best purchase obtainable in a dependable watch at a low price. In its reliability and in its appearance it seems to be an expensive watch, but the price in 7 Jewel grade is \$18.00 and in 15 Jewel grade \$23.00

It is supplied in full open face or skylight with a choice of white enamel, gilt or metal dials. The case and bracelet are gold filled, and the illustrations shown above are actual size.

We can think of no other Christmas gift at a similar price that will give so much and lasting pleasure.
