

There's just one question to ask after
you've heard

The EDISON PHONOGRAPH

"How soon can I get one?"

The wonderful new hornless instruments have talked and sung and played themselves into amazing popularity. The silent, smooth-running motor, the diamond reproducing point that does away with bothersome changing of needles, the beauty of design and the sweet-toned, unbreakable Blue Amberol Records require no argument.

Listen and see for yourself. Any up-to-date phonograph dealer will be glad to give you a free concert on the Edison to-day. Insist upon hearing the Edison. You can get one without delay.
