Buy Tire Experience Not Tire Experiments

Dunlop Bicycle Tires are the tires of experience—for 18 years they have been in the lead. When we erected our first factory, one room was sufficient for Bicycle tire making. To-day, almost the entire part of one factory is devoted to this line.

Dunlop Bicycle Tires

Every year finds Dunlop Bicycle tires more popular than the previous year; and if any new ideas are needed, each year sees them coming first from the Dunlop Factory.

For 1912 the new idea is Dunlop Special, the Bicycle Tire built specially for Canadian roads, the tire that will not slip because of rubber studs placed securely on the tread.

The answer to those who want to sell you foreign-made tires is that distance lends uncertainty—not enchantment.

Dunlop Tires are Sold by Bicycle Dealers Everywhere.
