

*A day in
the life of
Amanda
McLean*

...photos by Paul Menzies

7:55 am — 4th year microbiology student Amanda McLean starts off her morning in front of the mirror adjusting her earrings...

8:30 am — Amanda carries a box of shoes which later, she will resell at Zoryana's Boutique...

8:32 am — Amanda gets into her van to leave her Westmount area residence to attend her first class of the morning at the U of A...
