**WOULD YOU
 RATHER WORK
 FOR A
 COMPANY OR
 BUILD ONE?**

Let your next step take you closer to the top ranks. Become a Certified General Accountant. The comprehensive and flexible professional accounting designation.

Becoming a CGA means you'll have more choices. What's more, you'll be learning how to make practical, day-to-day decisions about real money in a real business. Right from the start.

All of which means you're building a company and eventually, maybe even running it. And doesn't running a business sound better than just working for one?
