DEPARTMENT OF INDIAN AFFAIRS

Ottawa. Mar. 19th. 1928.

Memorandum,

Dr. Scott:

Agent Frank Edwards of Kenora, reports that C.W. Cox, the timber licensee in the northern portion of the Lac Seul is conducting a wasteful operation and leaving a serious fire hazard due to the manufacture of hewn ties in the bush. The agent recommends that a timber cruiser be employed to visit the reserve and make an inspection.

I would recommend that he be given authority to secure a reliable man to do this work.

H. B. Barry
Supervisor Indian Timber Lands.
