THE COLORADO FUEL AND IRON COMPANY.

Trinidad, Colo. Nov 1st, 1915.

Mr. W. L. Mackenzie King,
The Bankers,
Ottawa, Can.

My Dear Mr. King:-

I am sending you today under separate cover a copy of the Holiday Book issued by Mrs. Bradford, State Superintendent of Public Instruction of Colorado, as per your request and enclose therewith a clipping from the Denver Post of Oct 20th, quoting her views of the schools in our camp.

I also got from her a similar statement, but I think rather stronger, for the first issue of the Industrial Bulletin.

Yours very truly,

W E Bragg
