

school shall be done up in one parcel and addressed to its particular destination. The date of delivery at Regina is "on or before the 10th march" which will give you a little over half a month in which to place the seeds on the reserves for which they are intended. I have to request you to be good enough to arrange for the transmission of the seeds from Regina to their several destinations.

I have the honor to be
 Sir,

Your obedient servant
