April 14, 1920.

Dear Mr. Douglas, -

With further reference to my letter of the 19th March, regarding the request of Mr. R. L. McDonald, Indian Agent at St. Peters, to build a dam adjacent to the Indian reserve, I have to say that I have received a favourable report regarding this from our Indian Superintendent, and I am issuing instructions to authorize Mr. McDonald to have the dam constructed.

Yours truly,

Deputy Superintendent General.
