MORISON'S UNIVERSAL MEDICINE.

NOTICE.
THE subscribers, general Agents for Morison's Pills, have appointed WILLIAM WHELAN, Sub-Agent for the Upper Town, No. 27 St. John Street.

LEGGE & Co.
That the public may be able to form some idea of Morison's Pills in their great consumption, the following calculation was made by Mr. WYING, Clerk to the Stamp Office, Son erst House, in a period of six years, (part only of the time that Morison's Pills have been before the public); the number of stamps delivered for that medicine amounted to three million, nine hundred, and one thousand.
The object in placing the foregoing before the public is to deduce therefrom the following powerful argument in favour of Mr. Morison's system and to which the public attention is directed, namely, that it was only by trying an innocuous purgative medicine to such an extent that the truth of the Hygeian system could possibly have been established. It is clear that all the medical men in England, or the world, put together, have not tried a system of vegetable purgation to the extent and in manner prescribed by the Hygeists. How, therefore, can they (much less individually) know any thing about the extent of its properties.
