

Mellow Soils Best for Growth

A HARD-CRUSTED soil surface excludes the air, dries out the soil and dwarfs the crop. Any soil, no matter how hard or dry, can be made into a good mellow seed-bed with a Peter Hamilton Stiff Tooth Cultivator. The tender seedlings or young plants push their way more easily through a mellow soil than through a stiff and cloddy one.

Peter Hamilton Stiff Tooth Cultivator

is exceptionally good for breaking up land or for summer fallow. The frame is thoroughly braced and trussed, which gives it extraordinary endurance for deep cultivation in the hardest kind of soil.

Deep cultivation is now advocated by agriculturists and for this work and killing weeds the Peter Hamilton Stiff Tooth Cultivator is unequalled.

The relief spring is the most successful yet used. After a stone or other obstacle is passed the foot flies back automatically into place again. The foot can be set forward to work into the hardest land. You can cultivate just as deep or just as shallow as you like.

Any width of thistle or weed cutters can be had. One set is supplied with every machine. You need the help of a Peter Hamilton Cultivator for your field work. With it you can prepare the best seed-bed and get increased crops. Don't put off buying. Write us to day.

The Old-time Painter Says:

"Whether I paint the home of a millionaire or the humblest cottage I always remember that they both meet the same kind of weather. I use

MAPLE LEAF PAINT

It Makes Good Because It's Made Good.

—the millionaire can't buy better paint anywhere.

—and the man who owns the humble cottage can't save money any surer way than with MAPLE LEAF.

MAPLE LEAF PAINT is the sum total motor driven adding machine of paint progress when it comes to comparison with the old pot and paddle days I had to go through.

For the "old man" with his shirt sleeves up and nothing to do on a Saturday afternoon—but a little job of painting—there's nothing to it but MAPLE LEAF and follow the directions on the can. Perhaps he won't need my services, but here's my advice to him:—go to it strong with MAPLE LEAF and the eternal smile will become a permanent fixture on his face—for every time he'll look at the job he'll say MAPLE LEAF for mine every time.

The man with the MAPLE LEAF around his store is the man to buy paint from, look him up in your town.

"Lively and Lasting"

This Free Book Will Help You Make More Money

It shows you how farming—whether on new land or old—can be made doubly profitable, how acreage can be increased, labor saved and crops made larger.

"Farming With Dynamite" is a book that you should have. Get your copy today and learn how C. X. L. Stumping Powder will help clear that stump lot, remove the boulders, dig your ditches, either for drainage or irrigation, and blow holes to plant fruit trees that grow faster and bear earlier and heavier than spade-planted trees.

From the standpoint of crop cost you cannot afford to be without C. X. L. Stumping Powder. This free book tells you all about its use and how it helps increase your profits.
