**LITTLE'S  
PATENT FLUID  
NON-POISONOUS  
SHEEP DIP  
AND CATTLE WASH**

THE ORIGINAL  
**Non-Poisonous Fluid Dip**

Still the favorite dip, as proved by the  
testimony of our Minister of Agri-  
culture and other large breeders.

**For sheep.**  
Kills ticks, maggots; cures scab; heals old sores,  
wounds, etc., and greatly increases and improves  
growth of wool.

**Cattle, horses, pigs, etc.**  
Cleans the skin from all insects, and makes the  
coat beautifully soft and glossy.

Prevents the attack of Warble Fly.  
Heals saddle galls, sore shoulders, ulcers,  
etc. Keeps animals free from infection.

**No danger, safe, cheap, and effective**  
Beware of imitations.

Sold in large tins at 75 cents. Sufficient in each  
to make from 25 to 40 gallons of wash, according to  
strength required. Special terms to breeders, ranch-  
men, and others requiring large quantities.

**SOLD BY ALL DRUGGISTS.

**GOSSIP.**

The 1st volume of the Herd Book of Large  
Black pigs has recently been issued under the  
supervision of the council of the Large Black  
Pig Society of Great Britain, of which Mr.  
Ernest Prentice, 61 Oxford St., Ipswich, is  
secretary and editor. It is a creditable volume,  
106 pages, containing the pedigrees of 632  
animals.

Mr. A. J. Watson, Castlederg, Ont., writes:-  
"Shorthorns and Cotswolds at Ashton Front  
View are looking fine at present. I have some  
grand young bulls for sale now. Show sheep  
are in better fit this year than I ever saw them  
at the same time of year. Sales of all kinds of  
stock have been good with me this winter and  
spring, and I expect it will be much better,  
as there are plenty of breeders looking after  
show stock."

Mr. John Gardhouse, Highfield, Ont., writes:  
"I have sold during the last two weeks the  
following Shorthorns: Bull Crusader - 32140-  
by Guardsman - 1886 - to Mr. John  
Dempsey, Fairview; Bulger Boy - 32141 - by  
Prime Minister (imp.) - 15280 - to Mr. Wm. G.  
Moffat, Teeswater; the two heifers, Flower  
Girl, by Scottish Pride (imp.), and Selina, by  
Guardsman (imp.), to J. M. Gardhouse, High-  
field; the bull, Prime Escape, by Prime Minis-  
ter, to Wm. Hanesy & Son, Glen Mills; the  
bull calf, Highfield Earl, by Prime Minister, to  
Jas. H. Kendrick, Lyndhurst. I have on hand  
yet the young bull, Prime King - 32142 -  
twelve months old, by Prime Minister (imp.) -  
15280 - dam by Guardsman (imp.) - 18856 -  
which I think is going to be the best bull I had  
this year; also a few heifers."

**MESSERS. T. LLOYD JONES & SONS' GALLOWAYS  
AND SHROPSHIRE.**

In another column may be found the new  
advertisement of Messrs. T. Lloyd Jones &  
Sons, in which they offer for sale a choice  
bunch of Galloway cattle, including their stock  
bull, College Gambler, and two yearlings fit  
for service. The firm carry upwards of 40 head  
of pure-bred and grades, and have been  
successful in the showing at leading exhibi-  
tions. The stock bull, College Gambler, has  
never been defeated in his class, while the  
young bulls are thick-fleshed, thrifty animals,  
well coated and good handlers. The firm  
brought out the 2-year-old half-bred steer last  
winter which won the 2nd at the East Show,  
London, and received the following  
report from the parties who slaughtered him:  
Live weight, 1,510 lbs.; dressed 1,005 lbs. of beef,  
70 lbs. of tallow, and 94 lbs. hide. The firm  
state that he was 2 years and 3 months old, and  
add that the public will never know the value  
of the breed except through the block test.  
A good flock of Shropshire sheep was founded  
upon selections made from the best English  
flocks, on which was employed imported  
rams. They state that they have a few choice  
shearing ewes and rams to offer at present.  
See the advertisement.

**A SCOTCH SHORTHORN FOR IRELAND.**

The Rev. Mr. Smith, of Boyle, Connaught,  
has purchased the grand Sittyton bull, Count  
Arthur, from Mr. Jolliffe, Stratford-on-Avon.  
This bull was used for two seasons by Mr.  
Duthie at Collynie, where he was greatly ad-  
mired, and where his bull calves made an aver-  
age of £71 apiece. He comes of the grand Vic-  
toria family, his dam, Victoria 85th, being one  
of the best cows at Bapton Manor. This cow  
was bred at Sittyton, and she won second prize  
at the Great Yorkshire Show in her family  
class with her daughter, Countess Victoria, her  
sons, Count Valerius and Count Arthur, all of  
which were sired by the famous Count Lavender,  
winner of fifty-three 1st and championship  
prizes. Count Arthur is in full "working  
order," as he has not been exhibited since he  
was a year old, yet he girths 8 feet 8 inches,  
and is straight on the back as a calf. He is  
almost full brother to the famous Count Victor,  
who carried all before him at the best shows in  
England, including 1sts at two Royal shows.  
Mr. Jolliffe writes that he is one of the best  
bulls in England, and has been used with most  
satisfactory results. He has left beautiful  
calves, full of hair and quality, and good colors.  
A sire with such credentials should prove a  
great acquisition to Shorthorn interests in the  
West of Ireland.

**P. R. HOOVER & SONS' TAMWORTHS AND BERK-  
SHIRES.**

The result of the attention which the firm of  
Hoover & Sons, at Green River, in Ontario Co.,  
Ont., has given to the production of typical  
Tamworth swine is showing up very advan-  
tageously in each succeeding generation of  
hogs. In their earlier experience with the  
breed, their chief aim was to breed nothing  
but vigorous, well-matured sows, and avoid  
extravagant feeding and unnecessary confine-  
ment, together with foundation stock having  
the most approved pedigrees, judicious mat-  
ings, and personal carefulness. Half a dozen  
sows were reserved for spring farrowing to the  
services of the 2-year-old boar, O. A. C. 419, by  
Royal Prince (bred by A. C. Hallman), and out  
of Peggy 454, O. A. C. 419 is a bear held in high  
esteem by his owners, and in him we found an  
animal full of Tamworth character, with enough  
masculine individuality to make him an im-  
pressive sire, carrying all the bone desirable,  
possessing a splendid back and deep sides,  
which he appears to transmit to his progeny  
with much certainty. We found, upon visiting  
the farm early in March, a good supply of young  
things of either sex, varying in age from 4  
weeks to as many months, and as their dams  
carry the blood of the best strains in the breed,  
we can see little risk in laying a foundation  
from such a herd when we consider their  
freedom from inbreeding and its evil conse-  
quences. During our visit we were shown the  
imported Berkshire sow, Ida 452, by Manor Lad  
(5586); dam Lady Pippin (5194), a sow imported  
from her breeder, Mr. J. Lawrence, Stallpits,  
Shrivvham, England, when a year old, and  
which has produced litters annually since her  
migration to this country. She is a sow of  
splendid quality and true Berkshire type of the  
bacon sort, and as she is now in her prime, and  
has a smart litter at her foot, we would con-  
sider her worthy of the attention of parties re-  
quiring this kind of stock; and as the firm has  
her for sale, an early investigation will be  
advisable. Among her litter we saw some  
excellent boars and sows, possessing the length  
and quality so much in demand. See the firm's  
offerings.

**SHEEP SHEARING REVOLUTIONIZED.**

**Chicago Sheep Shearing Machine**

**STEWART'S PATENT. PRICE, \$15.00.**

The only Sheep Shearing Machine ever invented.  
The day of the old fashioned hand shears is past. Over  
one million sheep shorn last season with this machine.  
Thousands of testimonials. No sheep owner can afford  
to shear the old way. Saves from one-half to one pound  
wool from each sheep. Pays for itself the first season.  
Be humane and don't butcher your sheep. Requires no  
experience to operate. Send for large illustrated circular.
