

To District Chairmen and Secretaries.
ACCORDING to the request of the Nova Scotia Conference, Books for District Minutes are being printed at the Book Room. The President and Secretary of the N. S. and P. E. Island Conference have kindly consulted with the Secretary of the Nova Scotia Conference in preparing the form for publication, so that it will be adapted to all and retain uniformity. Single books for Secretaries, and bound books, containing proceedings for several years, for Chairmen, will be ready in time for Districts and may be ordered at once. The price will be low, and the saving to Secretaries in writing and ruling forms will be very considerable. Blank forms of Circuit Accounts are also ready, and may be ordered in time for making returns in advance of District Meetings.
A. W. NICOLSON.

THE ISLAND EDUCATION BILL.

The Prince Edward Island Government Education Bill will, no doubt, become law without undergoing material alteration. It provides that the Executive Council shall be the Board of Education, the Chief Superintendent with a salary of \$1,500, and traveling expenses, the Secretary with a salary of \$800, and the Inspectors, each with a salary of \$600, shall be appointed by the Lieut. Governor in Council. The bill provides for three classes of teachers, to be graded really according to the quality of their work, the first class to receive from the Provincial Treasury an allowance of \$300, the second \$225, and the third \$180. The people of each district, however, are to be allowed to supplement the teacher's salary by assessing themselves for that purpose, and the Government to pay to such teacher from the Treasury an amount equal to the amount raised for him by assessment.—*Morning News.*

PAINFUL OCCURENCE.

On Sabbath, April 1st, a young woman, 19 years of age, Phebe J. O'Brien, second daughter of the late Joseph O'Brien, left the residence of Mr. John Faulkner, at three o'clock in the afternoon, it was thought to visit a neighbor. Not returning in the evening when expected, inquiries were made, but no tidings of her could be heard. The search was continued for more than thirty hours, when her lifeless body was found jammed between two large pieces of timber. Her position was such as to induce the opinion that she had not been immediately crushed to death, but had perished during that cold night. Although not more than 20 or 30 rods from the house where she had been living, her cries for help were not heard. Several persons passing along the highway however, heard indistinct tones like the human voice, coming from that direction, three or four hours after she left home. But not thinking that they were the cries of a suffering fellow-being, none came to her rescue. More than 30 hours elapsed before she was found. She was buried on Wednesday 4th, in the presence of her heart-stricken mother, sisters and brothers and a large and a deeply affected audience, upon whose attention the writer enforced the solemn exhortation: "Seek the Lord while he may be found, call upon him while He is near."

A HYMNAL
 For use in Prayer Meetings, Sabbath Schools and on other occasions.

 It is printed in large, clear type, which may be used easily when that of many other Hymnals cannot be discerned.
 This Hymnal has the sanction of members appointed by the General Conference in this section for the oversight of matter to form a new Hymn-Book.
