If the music selected amounts to just \$1, send only the 15 pictures, your name and address. If in excess of \$1, postage stamps may be enclosed for such excess. We make this liberal offer because we desire to give a present sufficiently large to induce every one to give Dobbins' Electric Scap a trial long enough to know just how good it is. If, after trial, they continue to use the scap for years, we shall be repaid. If they only use the fifteen bars, getting the dol'ar's worth of music gratis, we shall lose money. This shows our confidence. The Scap can be bought of all grocers—the music can only be got of us. See that our name is on each wrapper. Name this paper. A box of this Scap contains sixty bars. Any lady buying a box, and sending us sixty cuts of Mrs. Fogy, on select music to the amount of \$4.50. This Scap is process with age, and you are not asked to buy a useless retile, but one you use every week.

ORGANS are certainly best, having been so decreed at every Great World's Industrial Competition for Sixteem Years; an other American organ having been found equal at any. Also chempest. Style 109; 32 octaves; sufficient compass and power, with best quality, for popular sacred and secular music in chools or families, at only \$29. One hum. dred other styles at \$30, \$57, \$66, \$72, 78, \$98, \$108, \$114 to \$500 and up. The largest styles are wholly unrivaled by any other \$108, \$114 to \$500 and up. The largest styles are wholly unrivaled by any other organs. Also for easy payments. New Illustrated Catalogue free.

PIANOS This Company has commenced the PIANOS manufacture of Upright Grand Planes, introducing important improvements; idding to power and beauty of tone and durability. Will not require tuning one-quarter as much is other Pianos. Ittustrated Circulars Free.

The MASON & HANGLEN Organ and Plane Co., 154 Tremont St., Boston; 46 E. 14th St., New York; 149 Wabash Ave. Chicago.

TO ORGANISTS-BERRY'S BAL-ANCE HYDRAULIC CRGAN BLOWER. These Engines are particularly adapted for Slewing Church or Parler Organs, as they ender them as available as a Piano.

ender them as available as a Piano.

They are Self-Regulating and never over-blowing. Numbers have been tested for the last four years, and are now proved to be a most decided success. For an equal balanced pressure producing an even pitch of tone, while for durability, certainty of operation and economy, they cannot be surpassed. Reliable references given to some of the most eminent Organists and Organ Builders. Estimates furnished by direct application to the Patentee and Manufacturer, WM. BERRY, Engineer, Brome Corners. Que. Engineer, Brome Corners, Que,
