In St. Paul's Church, Indianapolis, the Bishop of the diocese confirmed the fourth set of candidates presented to him within ten months by the Rev. E. A. Neville, the rector. The total number presented during that time was a few over fifty and they were for the most part adults.

On a recent Sunday the Bishop of Liverpool dedicated the choir stalls and prayer desk which have been placed in Christ Church, Eccleston, by Mrs. Seddon in memory of her late husband, Mr. Richard Seddon, late Premier of New Zealand, he having been born in Eccleston and educated at the schools; his mother is buried in the churchyard. The vicar, the Rev. B. S. Clarke, announced that it is proposed to place a parish memorial to take the form of a lych-gate and improvements to the churchyard.

A new tablet, upon which are inscribed the various vicars of this parish, the names are surrounded by some of the old Jacobean oak-work which was taken down when the late Sir G. Gilbert Scott, R.A., restored the church nearly forty years ago, has

Calendar Almanac.**

**COMPETITION KEEN.**

Ten Rewarded for Efforts as the  
First Prize had to be Divided.

The judges in the annual Diary Contest of Dr. Chase's Calendar-Almanac have given their decision after carefully considering the numerous diaries submitted. The task was difficult. Not alone because of the hundreds of Almanacs entered in the contest, but more particularly because of their high standard. For example: the material, neatness and cleanliness of the leading diaries were of so good a quality that the judges were compelled in justice to both parties to divide the first prize between Mr. and Mrs. Sanford Hoar, of Scott Road, via Petitcodiac, N.B., and Mr. E. H. Snider, of Broomhill, Man.

The prize winners are:—  
First—\$100 in gold (divided)—E. H. Snider, Broomhill P.O., Man.; Mr. and Mrs. Sanford Hoar, Scott Road, via Petitcodiac, N.B.  
Second—\$500 in gold—Jas. Arthur, North Rustico, P.E.I.  
Third—\$25 in gold—Miss Mary E. Beattie, 239 Pall Mall Street, London, Ont.

Fourth—\$5 in gold—Rev. Jos. H. Chant, Newburgh, Ont.  
Fifth—\$5 in gold—Mrs. W. H. Burns, Miminegash, P.E.I.  
Sixth—\$5 in gold—Fred. Goodwin, Tillsonburg, Ont.  
Seventh—\$5 in gold—Mrs. Jos. H. Cook, Box 71, Bechville, Oxford Co., Ont.

Eighth—\$5 in gold—Miss Annie F. Bryden, Flin Flon, Ont.  
Ninth—\$5 in gold—Theodule Cloutier, L'Islet, Que.

The diaries belonging to the following persons are Highly Com-  
mended:—

Mr. C. MacFarlane Lewis, Mt. West Co., N.B.  
Mrs. Wm. Mutch, Rocky Point, P.E.I.  
Mrs. A. Roszel, Kimbo, Ont.  
Mrs. Robt. E. Lovatt, Tynemouth Creek, St. John Co., N.B.

Judging from the number of requests for Almanacs this year the Diary Contest for 1908 promises to be as close as that of 1907. If anyone has not received one of these Calendar-Almanacs, the Edmanson, Bates & Co., Toronto, Ont., will mail one upon the receipt of name and address.

**Almost Broke  
a Blood Vessel**

**CURE WAS EFFECTED BY DR.  
CHASE'S SYRUP OF LINSEED  
AND TURPENTINE.**

The necessity of a treatment for coughs and colds being in every home is not confined to the curing of such, but as a preventive of serious results. The accompanying testimonial tells how a girl almost ruptured a blood vessel by strenuous coughing. This could have been avoided by taking Dr. Chase's Syrup of Linseed and Turpentine in time. This preparation acts upon the irritated, inflamed and diseased surfaces of the throat, larynx, bronchia and lungs. It instantly soothes, heals, and promptly cures conditions which if permitted to develop, are sure to result in lasting misery and death. It is worse than false economy to spare the price of timely treatment and afterwards spend your time, money and waning strength in righting the serious stages of lung diseases, whether these be asthma, bronchitis, or consumption.

Mrs. Herman W. Sargent, Dunkin, Brome Co., Que., writes: "My little girl was taken with a very bad cold, became hot and feverish, and coughed so hard we were afraid she would break a blood vessel. For two weeks I doctored her without any improvement, and, as we were greatly alarmed, we got a bottle of Dr. Chase's Syrup of Linseed and Turpentine. Before the bottle was finished she was entirely cured, and we were very thankful for it."

Dr. Chase's Syrup of Linseed and Turpentine not only heals and soothes the bronchial tubes and lungs, but also effectually clears the air passages by its powers to loosen and throw off the sticky mucous secretion called phlegm. Devoid of opiates and injurious substances, it is the ideal treatment for coughs, colds, croup, bronchitis, whooping cough, asthma and all ailments of the throat and lungs.

Children like it, and, being composed of simple vegetable ingredients, it is suitable for their use. Twenty-five cents a bottle at all dealers, or Edmanson, Bates & Co., Toronto, Ont. To protect you against imitations the portrait and signature of Dr. A. W. Chase are on every bottle. Write for Dr. Chase's 1908 Calendar Almanac.

been placed in Totnes, South Devon Parish Church. Beginning with Walter, who was appointed to Totnes in 1260, there is an unbroken record of 633 years. The present vicar, the Rev. T. H. Elliott, was appointed in 1893.

A report has been presented to the Dean and Chapter of Exeter Cathedral on the condition of the south tower, which, it is stated, shows very serious indications of rapidly progressive decay. Exterior stone has fallen away in large pieces, one of which lately broke a window in the south choir aisle. The work of preservation has so far cost £428, and the Dean (the Bishop of Marlborough) has made an appeal for £700 to complete the work.

Two beautiful stained-glass windows, made by Mayer and Company, of Munich and New York, have been placed in the Church of the Redeemer, Biloxi, Miss., and were recently dedicated. They are memorial windows and their subjects are, respectively, "Suffer little children to come unto Me," and "Christ in the House of Martha and Mary."

"Elephants dearly love a joke," says a keeper of these unwieldy creatures. "When engaged in the timber trade in Burma, I observed some queer pranks played by them. The older animal was hauling a log, which fifty coolies could not have moved, from a river to the saw-mills, quite unsuspecting of any guile in the bosom of her offspring. The youngster took a turn with his trunk
