

THREE SHORT WORDS

THAT IS ALL YOU NEED.

Just say "I WANT IT" and it will be sent right to you, no matter in what part of America you live. Everything Prepaid. You don't need to give any references, don't need to tell any history, don't need to write a long letter or tell one single word about your trouble unless you wish. Just say "I WANT IT" three short words—and give your name and address, so we will know where to send it. That is all. We want to send it to you if you need it and will use it. We are glad to send it to you, glad to give you a chance to try it, to show you what it is, to let you see what it will do. We are glad to depend on you to pay for it if it benefits your health, if it makes you physically a better man or woman. If it does not, you don't pay a penny and we cannot ask for a cent. We leave it all to you, but you must write for it, must say the "three short words" so we will know you want it and send it to you. If you don't care to write a letter, use the coupon printed on this page. It tells us you want it and we will send it.

DON'T PAY A CENT

UNTIL YOU KNOW, until you see, until you feel, UNTIL YOU ARE SURE. We cannot ask a penny from you until you know we have done the work, until you are willing to send it to us, until we have earned it of you as pay for what Vitae-Ore has done for you. We take all the risk—we stand to lose all. You take no risk—you cannot lose anything. We Match Our Remedy Against Your Ailment. You must know it has helped you; you must feel better, stronger and healthier, from using it for one month, or you don't pay for it. YOU DON'T PAY FOR PROMISES, you pay for only what has been done. You pay for the work, not words, and if the work has not been done to your satisfaction, you don't pay for it—not a penny! You Are To Be The Judge, and you can easily judge. You know if you feel better, if you sleep better, if you are stronger, more active, if your limbs do not pain you, if your stomach does not trouble you, if your heart does not bother you. You know whether or not your organs are acting better, whether health is returning to your body.

IF YOU CANNOT SEE IT if you cannot feel it, if you cannot be sure of it—that ends the matter and you pay nothing. How can you refuse to try it when you alone have the entire "say so"? How can you hesitate to accept our offer immediately if you are ailing and need help? What excuse have you? Read our trial offer, read what Vitae-Ore is, read what it does, and do not delay another day before writing for a One Dollar Package on Trial.

Bad Complication of Diseases.

WESTPORT, TENN.—I write to let you know what Vitae-Ore has done for me. I was all run-down; had Stomach and Heart Trouble, Liver Complaint and Rheumatism. I was so weak that I could hardly walk and could not work at all. I had such pain in my breast and side that I could hardly lie down at night. I weighed 128 pounds when I got sick, but fell off so that I weighed only 110 pounds. I was under the doctors' treatment for some time, but he did not do me any good. I just grew worse all the time until I commenced taking Vitae-Ore. I had read the thirty-day trial offer in my paper and it was so fair that I sent for a dollar package on trial. The first package helped me some and I sent for more medicine. I kept on using it until I had used five packages. Vitae-Ore has cured me. I now weigh as much as I ever did, can work all day and feel that I am in better health than I have been for years. W. C. PARISH.

Old People Should Use It.

There is nothing so certain in life as the weakness of old age. The young MAY need a tonic, but the old MUST use one. Old age, like youth, makes demands upon the blood for nourishment of the body, but loss of appetite and impaired digestion deprive the blood of the nutriment which should be its portion. Sound, unbroken sleep is as much needed in age as in youth, to repair waste tissues, but fortunate indeed is the elderly man and woman who can sleep soundly throughout the entire night. The enlarged volume of waste products, due to the increasing tissue-breakdown of old age, requires additional activity in the kidneys to eliminate them from the system and the kidneys of the aged are apt to be refractory. Vitae-Ore serves as an aid in most every disordered condition incidental to old age. It increases the appetite and desire for food at the same time that it improves the power to digest and assimilate it, so the blood may be enriched by the proper nutriment. By its beneficial action in the system it induces a sounder and more refreshing sleep, and assists the kidneys to perform the requisite action. It helps to prevent the rheumatic condition of the joints usually co-incidental with age and by its general rebuilding powers to prolong vigor and activity to a ripe old age.

This is Our 30-Day Trial Offer!

If You Are Sick we want to send you a full-sized \$1.00 package of Vitae-Ore, enough for 30 days' continuous treatment, by mail, postpaid, and we want to send it to you on a 30 days' trial. We don't want a penny—we just want you to try it, just want a word from you asking for it, and will be glad to send it to you. We take absolutely all the risk—we take all chances. You don't risk a penny! All we ask is that you use V.-O. for 30 days and pay us \$1.00 if it has helped you, if you are satisfied that it has done you more than \$1.00 worth of positive, actual, visible good. Otherwise you pay nothing, we ask nothing, we want nothing. Can you not spare 100 minutes during the next 30 days to try it? Can you not give 5 minutes to write for it, 5 minutes to properly prepare it upon its arrival, and 3 minutes each day for 30 days to use it. That is all it takes. Cannot you give 100 minutes time if it means new health, new strength, new blood, new force, new energy, vigor, life and happiness? You are to be the judge. We are satisfied with your decision, are perfectly willing to trust to your honor, to your judgment, as to whether or not V.-O. has benefited you. Read what Vitae-Ore is, and write today for a \$1.00 Package On Trial.

WHAT VITAE-ORE IS.

Vitae-Ore is a mineral remedy, a combination of substances from which many world's noted curative springs derive medicinal power and healing virtue. These properties of the springs come from the natural deposits of mineral in the earth through which water forces its way, only a very small proportion of the medicinal substances in these mineral deposits being thus taken up by the liquid. Vitae-Ore consists of compounds of Iron, Sulphur and Magnesium, elements which are among the chief curative agents in nearly every healing mineral spring and are necessary for the creation and retention of health. One package of this mineral substance, mixed with water, equals in medicinal strength and curative, healing value, many gallons of the world's powerful mineral waters, drunk fresh at the springs.

For Both Internal and External Use.

Three in Family Cured.

GORRIE, ONTARIO.—We owe much to Vitae-Ore, my husband, my brother and myself, and in recommending it to our friends and neighbors we try only to repay a small part of the debt. For many years I suffered with a sore back; it hurt me to bend it to pick up something from the floor; at times the pain would be so bad I could hardly move. Then Sciatica developed and the misery I suffered was indeed something terrible. I tried every medicine and treatment which I thought would do me any good, but got very little benefit. I was almost without any hope of relief when I saw the Vitae-Ore advertisement and I procured a trial package only as a last resort. It was offered so fairly that I thought there might be some good in it, and I knew I did not have to pay for it if it did not do some good for me. By the time I had used half of the package I felt that at last I had found the right remedy.

and I continued with it until I was sure the benefit was lasting. This was three years ago and I am still cured today. My husband, who had been afflicted with Stomach Trouble, began its use upon seeing what it accomplished in my case, and it produced the same beneficial results for him, doing him more good than all of the medicines he had taken. I was then so impressed with its wonderful powers that I sent a package to my brother in Manitoba, who had been given up as incurable with Rheumatism and Dropsy, and who, also had a very bad running sore or ulcer on his leg. Before he had taken the entire package I had sent him, the sore was almost entirely healed and his health began to return. He had not been able to work for years, but after using altogether three packages, his health was so remarkably improved that he was able to return to his regular work. His wife writes me: "We cannot say too much in praise of Vitae-Ore; it has made a new man of George." I send my husband's and my own photograph, and am glad to add our testimonials to the long list who say, "Vitae-Ore has cured me."

MRS. EDW. GALBRAITH.
