ADVERTISE IN THE MAIL AND ADVOCATE

LOOKS FOR A UNION GOVERNMENT IN 1917.

(Editor Mail and Advocate)
Dear Sir,—Allow me space in your valuable paper for a few words from Little Bay Islands, as I have not seen anything from this place this winter, I thought I thought I would write a few lines, although I am not a member of the F.P.U. I have seen Mr. Coaker and I hope I will see him again.

I see Aunt Jane has written you an account of the Union parade at her place, so I thought I would try and tell you about the Union parade that took place here on March the 13th. The members of the F.P.U. paraded around the Harbor and returned to the Orange Hall, where tea was prepared for them. We did not see any photo of Mr. Coaker like Aunt Jane and them had, there was lots of cake and other good things there.

After the tea a meeting was held consisting of singing and recitations. Speeches were given by the Chairman and other members of the Council. Mr. Frederick Wiseman in his speech called for a cheer and a clap for Mr. Coaker which was given right heartily. The meeting closed by sing God Save the King.

Sorry to say since last parade death has visited the place and two respected and promising young men in the persons of Archibald Elliott and Raymond Oxford are missing from the ranks of the F.P.U.

I hope the Union will get the Government at next election. I wish success to the F.P.U. and The Mail and Advocate.

Yours truly,
UNION BOY.

Conception Will Stand by the Union and Coaker

(Editor Mail and Advocate)

Dear Sir,—Please allow me space in your much-esteemed paper for a few remarks regarding the address delivered by our Chairman at our annual meeting. He said in part—

"I am glad to have the privilege to welcome you one and all to the second annual meeting at Conception Harbor. It is recognized throughout the country to-day that the Fishermen's Protective Union is a great organization with President Coaker as leader demanding that justice and fair play be given the fishermen of Newfoundland who produce the wealth of our Island Home. No words can express the thanks we owe our President for the noble work he has accomplished since he started the F.P.U. and we feel sure that the day is coming when the voice of the toilers of Terra Nova will be heard and respected."

We appreciate President Coaker in his undertakings that we poor down-trodden toilers are rapidly advancing to better conditions."

THE SONS OF LABOUR WILL HAVE THEIR CHANCE.

(Editor Mail and Advocate)

Dear Sir,—Please allow me space in your much-esteemed paper to record the death of Friend Moses Hoskins, formerly of Greenspond, but since 1913 a resident here at Hare Bay. He was a staunch member of the F. P. U., but has been ailing for a considerable time, and not until a fortnight ago was his case considered serious. Deceased passed away on the 24th inst and leaves a wife, one son and three daughters to mourn the sad loss of a kind father. May his soul rest in peace.

Also on the 18th inst. James Cooze, another F. P. U. member, met with a serious accident. Whilst handling a gun he by misfortune struck the cock and the whole charge passed through his left hand, carrying away one of his fingers and fractured his hand considerably. He was taken to Greenspond and placed under the treatment of Dr. Jamelson. He is improving rapidly, as it is only what is expected under the treatment of such an able and skillful doctor.

Our Council is working away fighting the battles of Oppression and Wrong Doings. The time is not far distant when this fight will be ours. The sons of labour will have their chance to think and say as they wish. Then and only then will we be satisfied.

Thanking you for space, Mr. Editor,
Yours truly,
THOS. WELLS,
Chairman.
