SALES AT WORK

White Feather, the famous British secret head engagement at the Grand on Tuesday, as Mrs. Sancerson; John Burckell as Fitz; and...

at his door, which savor more of the Middle Ages than of the 20th century. For example, he maintained an almost ferocious standard of discipline among his troops; in suppressing uprisings he had heads cut off wholesale, and he has always posed as a friend of those whose brains he wanted to sap—and then he has thrown them overboard.  
 When the Dowager Empress of China and the deposed Emperor died, the latter's brother determined to show fight against Yuan-Shi-Kai, then Foreign Minister. But he shrank from doing more than dismissing him and made a laughable excuse for even such a comparatively mild decision.  
 He is to return to his native place because of the rheumatism in his leg, declared the Regent. "Thus our clemency towards him is manifested."  
 Needless to say Yuan had no rheumatism.
