Bright Clouds

To the Members of Grace Church:

In concluding this present series of letters, the Rector expresses his appreciation of our Easter services. The heartiness and earnestness of the congregations were very gratifying. Attendance at the Holy Communion was record.

Dark and bright clouds alike betoken God's presence. "Who can number the clouds?" "Dost thou know the balancing of the clouds?" The Lord was present in the cloud in the tabernacle in the wilderness. That brilliant manifestation staidied for the rule of Moses. It impressed the people with the facts of God's power and tender guidance for all who would serve Him. Clouds in our sky tell us Jehovah promises to blot out our sins. Clouds obscure our sun for a few hours, but see in the evening the silver lining reveals the warmth above. Let the rainbow remind us of God's covenant. Easter, again and again, bids us gaze upwards with confident hope. His victorious triumph over the grave clears our vision that in faith we can, with John in the Revelations, see one like unto the Son of man sitting upon a cloud. We look forward with joyous confidence to that "Morning without clouds". Then "God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, neither crying, neither shall there be any more pain; for the former things are passed away."

H. J. LEAKE.

"Why are we the Agents?"

Because we know that THE "CANADIAN" fence is FULL GAUGE No. 9 WIRE throughout and the galvanizing will not peel off or crack. It has the famous "CANADIAN" knot and costs no more than lighter and less durable fences.

Anyway, come in and examine it. We'll show you the "AMERICAN" Galvanized Steel Fence Post, too.

We can sell you this fence as cheap as you can buy fence anywhere.
