Relief and Health to your Infants

Relief and Health to your Infants

We have put up and sold this article for over 30 years and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED IN A SINGLE INSTANCE TO EFFECT A CUIE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after 30 years experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experiences and skillful Nurses in New England, and has been used with never failing success in THOUSANDS OF CASES.

THOUSANDS OF CASES. It not only clieves the child from pain but wigorates the stomach and bowels, corrects invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

Griping in the Bowels, and Wind Colic, Griping in the Bowels, and Wind Colic, and overcome convulsion, which, if not speedily remedied end in death. We believe it is the best and surest remedy in the world, in all cases of Dysentery and Diarrhea in children, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used, Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & FERKINS, New York, on the outside wrapper.

JAUNDICE, FLATULENCY.

THESE PILLS are purely a vegetable compound earchilly selected by medical skill and experience. Although mild in their operation, yet they will be found to be a most efficacious remedy for Indigestion, whether arising from idoicacy, sedentery occupation, or long continued residence in a confined or unwholesome atmosphere. Also for those innumerable diseases consequent on repeated indulgence in voluptuous living, excessive use of malt and spirituous liquors, likewise inattention and total neglect of an occasional required dose of medicine; to persons afflicted from any of these causes, the Pills are a speedy and certain cure. The action of these Pills will also not only mitigate, but completely correct, that unpleasant and feverish taste of the stomach, producing frequent cructations of sour, nauscating air, spasms, heartburn, &c.,—subduing inflammation, correcting the morbid secretion of a too active or torpid state of the liver,—they remove every unhealthy accumulation till the blood is purified, the whole system-renovated, and all the functions act according to nature.
