## TERMS OF THE TREATY.

Chinese Who Furnished Supplies to the  
Japs Must Not Be Punished.

Washington, April 20.—The stipulation  
in the treaty of peace between China and  
Japan that the Chinese who have been  
captured by the Japanese and others who  
were engaged in the Japanese march in  
their march through Manchuria and  
Shantung shall not be punished by the  
Chinese authorities, was inspired, by hu-  
mane considerations. It is the custom of  
China to behead such of her soldiers as  
fall into the hands of the enemy, and she  
afterwards returned to their country.  
During several naval and land engage-  
ments upwards of 5,000 Chinese troops  
were captured by the Japanese and it is  
to preserve their lives that the foregoing  
provision was inserted in the treaty. The  
same considerations influenced the other  
provision relative to the purchase of  
supplies from Chinese subjects. The curious  
and somewhat anomalous connection that  
China has not a single prisoner of war  
belonging to Japan.

## WORKMEN FATALLY HURT.

Three Men Killed and Four Injured by  
the Fall of a Derrick.

Chicago, April 20.—The lives of two  
workmen were instantly crushed and  
three others fatally injured and one seri-  
ously hurt by the fall of a derrick yester-  
day in the yards of the South Chicago  
Ship Building Co. The derrick was  
being used for the purpose of raising  
the hull of the vessel. One of the  
ropes broke and the various parts of  
the hoisting apparatus gave way before  
the victims employed under and around  
the machinery could save themselves.

Evangelical Association's Annual Meeting.  
Saskatoon, Ont., April 19.—The  
annual meeting of the Evangelical  
Association met at South Cayuga yesterday  
for the transaction of annual business.  
The session was opened with devotional  
services. Bishop J. J. Fisher, of Chicago,  
presiding. Rev. H. Maitland, minister  
of the Presbyterian church, gave an  
interesting report of the flourishing  
condition of our publishing establish-  
ment at Cleveland, Ohio. He declared  
an annual dividend of \$24 to the Canada  
conference. Rev. J. C. Hornberger, of  
Cleveland, Ohio, gave a report of the  
circulation of the paper. The following  
brothers were licensed as preachers  
on the 19th inst.: Rev. H. Maitland,  
Saskatoon, Ont.; William B. Walker,  
Henry Holtzman, of Milledale; W. O. Hehn,  
of Ayles; Wm. Wiltner, of Tavistock.  
Rev. C. M. Macdonald, president of the  
association, presented his credentials and  
was received into this conference. J. Umbrach,  
of Cleveland, Ohio, was president.

Sixty Business Houses Destroyed by Fire.  
Saskatoon, I.T., April 20.—The main  
portion of Ardmore for six solid blocks  
in the north and south of Main street  
was destroyed by fire yesterday. Sixty  
business houses were entirely de-  
stroyed. The loss will aggregate \$500,000.  
The United States court and jail were  
also destroyed. The heat was so intense  
that the main portion of the court house  
were cracked and the court records partly  
destroyed. The masonic temple was also  
burned. The loss of the masonic temple  
was \$100,000. A man named John  
Nelson, who was in the street, was  
burned that he cannot recover.

A Negro Executed.  
Winchester, Pa., April 19.—Thornton  
Parker, colored, who assaulted Mrs. Nelson,  
a white woman, was executed here  
yesterday. He exhibited wonderful courage  
on the scaffold and prayed all the time  
even after the black cap was placed over  
his face and the rope adjusted. His last  
words were: "I am going to make my  
home in heaven and I want you all to  
meet me. I am the man that done the  
act and I want to go home."

Income Tax Receipts.  
Washington, April 20.—Commissioner  
Miller, of the Internal Revenue Bureau,  
said that the official returns received  
and from semi-official estimates he placed  
the aggregate to be obtained from the  
income tax at \$1,000,000. When the cor-  
rected returns are all in and the penalties  
imposed collected the amount will be  
increased to nearly \$1,500,000.

An Increase in Wages.  
Providence, R.I., April 20.—The West-  
chester Mills have posted notices of an  
increase in the wages of 25 cents a week to  
the men and their finishing workers.  
These hands have been receiving lower  
wages than are paid in the other mills.

Sentenced for Forgery.  
New York, April 20.—Jacob S. Herzog,  
a well-known furrier and a reputed member  
of the firm of Herzog & Co., who was  
convicted of forgery, was sentenced to six  
years and six months in the State prison.

Abducted by a Half-Breed.  
Greenburg, Pa., April 19.—Mrs. Julia  
Holly, wife of a miner at Hunter, and her  
three children, were abducted by a  
half-breed Indian, named Joe Dupont,  
who has been loitering in the vicinity of  
the Hollis home a few days.

Choked by a Window Sash.  
Ottawa, April 20.—Emma Thomas, the  
seven-year-old only child of Mr. Fred  
Thomas, painter, became separated from  
her mother up town and going home  
tried to get in the house through a win-  
dow sash. She fell on her neck and  
choked her to death. A companion first  
discovered the body hanging out of the  
window and gave the alarm.

## FOUR ELECTIONS HELD

Dr. Montague Elected in Haldimand  
by 647 Majority.

M'GREGG DEFEATED IN QUEBEC  
Mr. C. A. Geoffrion, the Liberal Candidate  
Elected in Verchères by 157—Colin  
McCaskey Succeeded in Cap-  
turing the East St. John  
Thompson's Seat.

Cayuga, April 18.—The weather here  
was beautiful, and in every way  
favorable for an election day, but the roads  
throughout the country were in a terrible  
condition. Polling in this town proceed-  
ed quietly and orderly. There was a  
large Roman Catholic vote here, and it  
was cast for Dr. Montague.

Reports from outside points state that  
there was very little excitement, and that  
only a comparatively small number of  
votes were polled.

Montague's majorities were: Cayuga,  
70; Colton, 95; Hagersville, 190;  
Kohls, 26; Glasby, 11; Windaola, 15;  
Baltimore, 49; Zions Hall, Onondaga, 5;  
Onondaga, 35; Fisherville, 77; Indiana, 4;  
York, 36; Felch, 23; Walpole, 26; Nan-  
tucket, 21; Chambers Hall, Onondaga,  
Hall, Jarvis, 27; Orange Hall, Walpole,  
17; Springville, 29; Garnet, 29; Indian  
Reserve, 29. Total majority, 647.

Quebec, April 18.—Mr. R. B. Dobb  
was elected in Quebec West by seven  
majority over Mr. McGregg, the lib-  
eral member. Out of this number three  
bulletins in favor of McGregg were re-  
jected by the returned voters. The  
interpretation of the law governing  
voting. A recount is spoken of. The  
votes are: Dobb, 887; McGregg, 880.

The Result in Verchères.  
Verchères, Que., April 18.—The elec-  
tion for the vacant seat in the Common-  
wealth by the demise of the late Hon. F.  
Geoffrion, which took place yesterday,  
was closely contested and resulted in the  
return of Mr. C. A. Geoffrion, the lib-  
eral candidate by 157 majority, as com-  
pared with 108 majority for the  
late member in the last general election.

A Liberal Elected in Antigonish.  
Halifax, N.S., April 18.—In the con-  
test for the vacant seat in the Common-  
wealth by the death of the late Sir John  
Thompson, yesterday, resulted in Mr. McIsaac,  
Liberal, being elected by a majority.

MRS. PARNELL ROBBED.  
The Mother of the Late Irish Leader Had  
Her Purse Stolen by a Thief.

Bordenston, N.J., April 20.—Mrs.  
Della T. S. Parnell, mother of the late  
Charles Stewart Parnell, was yester-  
day assaulted here by highwaymen, who  
robbed her of a black satchel and a small  
sum of money, and escaped with her. She  
openly assaulted her and scattering his  
contents around the ground.

Mrs. Parnell was highly hysterical  
when help reached her and became un-  
conscious. She was carried to a farm  
house of one of her neighbors, and restora-  
tion was applied. Mrs. Parnell was  
severely bruised on the back of the head.  
Dr. Shipp visited Mrs. Parnell and de-  
clared that his patient's skull is not frac-  
tured and that her condition was much  
improved. She had regained conscious-  
ness.

Two tramps were arrested in the vicin-  
ity of Mrs. Parnell's house as suspects.  
No evidence, however, was obtained  
with the assault. County Prosecutor  
Rudd ordered Justice Steele to leave  
nothing undone in bringing about the  
capture of the highwaymen.

Mrs. Parnell is 80 years of age.  
Bordenston, N.J., April 20.—There is  
no material change in the condition of  
Mrs. Parnell since Saturday, as she is still  
unable to move intelligently. Owing  
to her advanced age, however, it is re-  
garded as being critical. What the phy-  
sicians fear the most is the injury at the  
base of the brain. The ambulance was  
not fractured except almost a miracle, as  
the blow struck by the villain was evi-  
dently a terrific one. There is no hope  
of the perpetrator of the deadly assault.

Mrs. Parnell passed a good night and  
seemed brighter this morning, but as the  
day advanced, she grew weaker, and it is  
doubtful whether she will survive the  
shock of the operation. The ambulance  
developed to throw any light upon the  
case, although the detectives are still as  
work. The theory that the crime was  
committed by tramps is not believed.

Police Officer Hartmann, Pippott and  
Johnson, who were on duty yesterday  
yesterday afternoon on the outskirts of  
the city and looked them up in the city  
jail, pending an examination.

Frank Postman Here.  
Chicago, April 19.—Reuben Johnson,  
an expressman, and the small son of John  
Holden, a manufacturer of fireworks,  
died yesterday of accidental poisoning.  
Johnson had gone to Holden's house to  
haul away a load of fireworks. While  
there he went out for a can of beer, bring-  
ing back and giving the rest to the child.  
The child died within a few minutes and  
Johnson expired in the ambulance while  
being taken to a hospital. It is believed  
that some of the poisonous substances  
used in making fireworks had gotten in  
the can or into the glass out of which the  
beer was drunk.

Drowning Accident at Pembroke.  
Pembroke, Ont., April 19.—A  
drowning accident occurred yesterday  
about three o'clock, five miles from Des  
Jardins. A young man named Edrick  
Charbonneau, while engaged graveling  
one of the dams at Pine Sault Creek fell  
into the water, and was drowned before  
assistance could be rendered to him.  
Charbonneau was a native of St. Rose  
Laval County, Que., where his remains  
will be conveyed. He was about 22 years  
of age and unmarried.

A Rise in the Price of Leather.  
New York, April 19.—A special meet-  
ing of the Leather Belting Manufacturers  
Association was held in this city. It was  
decided to increase the price of belting 30  
per cent. over the price now prevailing.  
The advance to take effect April 22. The  
reason for the increase in the price of bel-  
ting is the recent heavy advance in hides  
and hand leather due to the scarcity of  
cattle.

Duke of Aosta to Wed Princess Helena.  
London, April 19.—The Duke of Aosta,  
and the Princess Helena of Orleans will  
be married at Stowe house, Twickenham,  
on June 8.

Van Salters Drowned.  
Port Townsend, Wash., April 19.—The  
ghouster Behring Sea, from Tacoma, has  
been found 35 miles west of Cape Flattery  
bottom up. The crew of ten persons is  
supposed to have been drowned. The  
vessel was making her maiden voyage to  
the halibut banks and was deemed un-  
worthy.

## Business Failures in Canada.

Monday was 23 business  
failures reported from Canada  
against 30 last week, 31 in the week  
year ago and 21 two years ago. Bank  
clearings at Winnipeg, Toronto, Hamilton  
Montreal and Halifax aggregate only  
\$18,130,000 this week. Last week they  
were \$17,500,000 and last year for the  
week \$18,004,000.

## TOPICS OF A WEEK.

The Important Events in a Few Words  
For Busy Readers.

Thomas Russell, aged 19 years, was  
struck on London on Friday morning  
while on the L. & P. S. R. R. in front of  
the train. He admitted the act, and  
he did it for the purpose of stopping the  
train and getting a ride.

Two boats of the Merchants' Line will  
ply between Port Stanley and Montreal  
during the coming summer. They will  
leave Port Stanley on Wednesdays and  
Saturdays, and returning leave Montreal  
on Wednesdays and Fridays.

In response to a large delegation  
of temperance workers, who asked for  
increased restrictions on saloons, the  
London License Commissioners decided that  
it would be best not to disturb the exist-  
ing hours until after the next session,  
pending the Government's decision.

A monument to the founders of Mon-  
tral will be inaugurated on May 1st.  
Mayor Villeneuve and Lieutenant-Governor  
Chapman will be present.

Londoners expect to have the electric  
rail to Springfield complete by May 24.  
Mr. J. H. Hooking, a Winnipeg news-  
paper man, formerly of Lestelov and  
Guelph, is dead.

The assets of Hamilton's civil accounts  
has a balance of nearly a million dol-  
lars in the city's favor.

A little girl in Ottawa named Emma  
Thomas was trying to get through a win-  
dow on Friday when the sash fell on her  
and she was choked to death.

North Ontario prohibitionists will meet  
at Canington on May 8, and will be ad-  
dressed by Mr. W. W. Buchanan and other  
prominent speakers.

Mr. Philip H. Pettigall, a farmer living  
on the shore of Lake Ontario, near  
Wellington, was found in his barn on  
Friday with a part of his head blown off.

A number of prominent cattle men from  
Eastern Canada have arrived at Winnipeg  
looking for cattle for English sale. The  
Protest have gone up owing to the Ameri-  
can scarcity and there is keen competi-  
tion.

Mr. O. T. Fryer, sheriff of Lennox and  
Addington, died on Wednesday. The de-  
ceased, owing to old age and infirmity,  
has been unable to attend the duties of  
his office for a number of years, and they  
were looked after by his son, Mr. T. D.  
Fryer.

Mr. Laurier, in the House of Commons  
on Friday night, alluding to the death of  
Sir John Thompson, referred to it as a  
sadder consequence of the maddening  
principles of the Unity of the Empire.

Council for Shorter, the Valleyfield  
murderer, on Thursday made his way  
to the court to order that a medical ex-  
amination be made as to their client's  
sanity. The Crown prosecutor was not  
sure that the court had jurisdiction to  
order such an examination. Judge War-  
ton was not sure, and said he would look  
it up and give his decision on Friday.

Mr. T. G. Shaughnessy, vice-president  
of the C. P. R., gave important evidence  
before the committee on the Canadian  
railroads on Thursday. He presented a  
mass of figures and comparisons to show  
that the C. P. R. charges are excessive  
when compared with the United States  
railroads. Earnings were lower in  
Canada anyway, he contended.

The London Standard says Great Brit-  
ain's policy in regard to Japan and China  
will be one of quiet, vigilant self-protection.

The London Times, commenting on  
the Pope's speech, says the resolution  
of the Anglican and Roman Churches is  
a mere dream.

**A WOMAN'S SCREAM.**  
John L. Sullivan distinguishes himself in  
the saving of a life.

Boston, Mass., April 22.—Ex-Champion  
John L. Sullivan distinguished himself  
as a life-saver yesterday afternoon. As  
John was leaving his boarding house on  
Dover street, just before four o'clock, he  
heard a woman's scream in the rear  
house. He ran down the stairs and saw  
at once that there was a fire in the  
kitchen and that Mrs. Kearsley, who  
was the cook, was in danger of burning to  
death. Her clothing having been ignited  
she was unable to get out. Sullivan  
wrapped a big mat around the woman  
and succeeded in extinguishing the fire.  
She was badly injured, however, but the  
chances are favorable for her recovery.  
Sullivan's hands were burned in several  
places and he is obliged to consult with  
a doctor, but the wounds are not serious.

**RIDDLED WITH SHOT.**  
Whitcomb Deery a Farmer From His  
Home and Shoot Him.

Newtown, Ala., April 22.—W. R. Black-  
shear, a well-to-do farmer, living near  
town, was decapitated by his house by  
Whitcomb Deery Saturday night about 10 o'clock  
and half a dozen loads of shot poured into  
his face, breast and abdomen, killing him  
instantly.

Blackshear was induced to come out of  
his house by setting his fence on fire, the  
murderer having kindled the fire for that  
purpose. He had been warned to leave  
the country about two weeks ago, a note  
to that effect being posted on his house  
by Whitcomb.

**CHURCH REUNION.**  
London Times Comments on the Pope's  
Speech to the English People.

London, April 22.—In an editorial on  
the Pope's Encyclical to the English peo-  
ple on the re-union of the Anglican and  
Roman Catholic Churches the Times says  
the document was doubtless intended to  
convey that on doctrinal points no com-  
promise could be thought of. Lord Halifax  
and his friends, the paper adds, would  
do well to take this salutary lesson to  
heart. The reunion of the churches is a  
new dream and the Pope has done his  
best to make this perfectly plain.

**Death Beating Cyclone.**  
Mobile, Ala., April 22.—From Captain  
J. D. Vick, of the Alabama river steamer  
Tinsle Moore, which just arrived, is re-  
ported the details of a terrific cyclone  
which passed over Mobile's Landing, 200  
miles north of Mobile. The cyclone  
passed from east to west, leveling twenty  
dwellings and doing thousands of dollars  
worth of damage. The plantation of  
Judge Henderson is a complete wreck.  
Three lives are said to have been lost.
