### HE DID NOT COME BACK.

When Mr. Emmerson made his remarkable speech on resigning his office, he stated that charges could be made against Conservative members and supported by evidence in possession of the House. Having so spoken Mr. Emmerson left the Chamber. The next day Mr. Bordens read the statement and demanded a fuller explanation from the ex-Minister, declaring that he himself was ready to assist an inquiry into any charges Mr. Emmerson might make. The Opposition Leader promised to repeat his challenge when Mr. Emmerson was next in his seat. That was nearly three weeks ago and Mr. Emmerson has not been in the House since.

### A CONTRACTOR'S ACTIVITIES.

Confessions of ballot box switching were recently made by James Farr, a deputy in the election of West Huron in 1899. In December last Farr swore that at the above election he switched thirteen ballots marked for McLean, placing in the box that number for the Government candidate. Farr stated that on the day before the election W. L. Horton took him to the hotel in Goderich where Farr was introduced to O'Gorman, now one of the accused in the London Conference, and to another person who turned out to be Pritchett, the chief instructor in ballot-switching. Horton gave the introduction and Pritchett proceeded to put Farr through a course of ballot-switching.

This incident was recalled in the Committee of Supply by Mr. Bennett, who pointed out that Horton is now contractor with the Government for dredging at Goderich harbor.

Mr. Aylesworth's blunder has made a rather fine mess of the address to the King respecting the increase in Provincial subsidies. The address as passed by the House of Commons and sent to the Senate omits a clause adopted by the Conference basing the annual payments to the Western Provinces on the population determined by the last census. With this clause out the basis becomes the population of 1901 instead of 1906. It makes a difference of half a million dollars to Manitoba with proportionate losses to the Provinces farther West. The error was discovered by Senator Ferguson and now the whole work has to be done over again.

### PROMINENT MANUFACTURER SPEAKS.

In Vanleek Hill, Ont., no one is better known than Geo. S. Watson. When he says "Catarrh" is a real cure," depend on it being so. "My wife," he writes, "was subject to bad attacks of throat irritation and bronchitis. Many remedies were tried, but few proved at all useful. Catarrh was different. It seemed to get right at the sore spots and brought relief quickly. We have found Catarrh in absolute cure for bronchitis and catarrh." Nothing cures more quickly, so get it to-day; two sizes, 25c. and \$1 at all dealers.

### A QUESTION OFTEN ASKED.

Why do many people feel worse after taking pills than before? Trouble is that drastic pills are used. No remedial action is obtained, the bowels are irritated and dreadful constipation follows. In using Dr. Hamilton's Pills you are scarcely conscious of having taken medicine. Although very mild, Dr. Hamilton's Pills do regulate the bowels, stimulate normal action of the glands, and create neither nausea, griping or violent action. Positively guaranteed for biliousness, indigestion, stomach, liver and kidney ills. For a safe family pill rely on Dr. Hamilton's, 25c. per box at all dealers.

### SAYS IT'S A JOKE.

To the Editor of The Planet:

Dear Sir,—Ashes are forever dead. No chemical will make them take fire. This story in the papers about the cobbler's invention is only a joke. It is all rot.

Mix sawdust with sand, and the sawdust will all burn out. Ashes will never, never burn again.

### NOT SCIENTISTS.

To the Editor of The Planet:

Your issue of the 12th inst. contains a report that a family of five Christian Scientists named Sagave in Berlin, Germany, have gone mad, and after doing considerable damage were taken in charge by the police.

Will you kindly state through your columns that a cable received from Berlin states that the family mentioned were not Christian Scientists, but Dowiettes, and that the police on investigation, find that insanity was hereditary in the family.

Christian Science had nothing whatever to do with the case.

Yours truly,  
C. R. MUNRO.

### THAW'S FATHER A SHRINER.

Policeman Told Juror—Jerome to Find Guilty Party.

New York, April 22.—District Attorney Jerome has received definite information that the Thaw jury was approached by a policeman, who informed one of the jurors that Thaw's father, William Thaw, was a member of the Mystic Shrine.

Juror Charles E. Newton, himself a Shriner, said on Saturday that the approach was made to him, and it is said the policeman who conveyed the information was also a member of that society.

Mr. Newton said he immediately told all the other jurors what had been said to him. All the policemen who did duty with the Thaw jury will be lined up in the district attorney's office on Monday, and Juror Newton will be asked to pick out the man who is alleged to have made the remark.

### LAST COAL MINE CLOSED.

Operators and Employees Confer in Order to End Strike.

Roseland, B. C., April 22.—The last of the coal mines to close down in British Columbia and Alberta was the Pacific Coal Co.'s collieries at Bankhead, Alta., where the men quit on Saturday.

W. H. Aldridge, managing director of the Pacific Coal Co., will leave tomorrow for Fernie, to attend the conference of mine operators and employees for the purpose of endeavoring to end the strike.

The C. P. R. has given notice that, owing to the shortage of coal, it will handle no more freight, and refused freight consigned from Roseland to Greenwood Trail and other points.

A. B. MacKenzie, secretary of Roseland Board of Trade, when interviewed in regard to the coal mine trouble and the situation, said:

"I cannot understand the statement made by the Hon. Rudolph Lemieux, Minister of Labor, in the House at Ottawa, Saturday, that there was no coal strike or lock-out. There is certainly a strike in all of the coal mines in Eastern British Columbia and Alberta. I see that the statement is made that difficulty has arisen out of posting of certain notices. So far as facts now appear only notices posted were by Crow's Nest Pass Coal Co. at Fernie and International Coal and Coke Co. at Coleman.

### PUGSLEY ACCEPTS NOMINATION.

Will Contest Federal Vacancy For St. John in Liberal Interest.

St. John, N.B., April 22.—At a large meeting of Liberals on Saturday evening Premier Pugsley accepted the invitation to contest for the federal vacancy caused by the death of Dr. Stockton, M.P.

Sussex (King's County) Liberals had asked him to continue in provincial politics.

The city wishes a strong man at Ottawa to look after the winter port interests, as Fielding's policy to date has been favoring Halifax.

Liberals here have openly split, the machine considering personal interests.

Pugsley is undoubtedly the strongest man, but after the winter port interests he will undoubtedly be the next Minister of Railways.

The requisition was signed by 3,000. Mr. Pugsley denied that he had any Cabinet aspirations, and said he hoped Emmerson would clear himself and be taken back again. He announced that he would probably be chief counsel for Emmerson in his libel suits and moved a resolution of sympathy with the late Minister.

You can't get the best of some men, for the reason that they have none.

### English As Written.

There has been received from St. Petersburg the following quaint epistle, sent by a society styling itself the "Association for Supporting Poor Educated Gentlemen."

"Dear Sir,—The present critical situation in Russia has caused a lot of educated gentlemen even with university education has thrown out from the society without a piece of bread. An association has been formed which undertook to help such educated gentlemen which were suffering from starving in the way of establishing an office for cutting from Russian and foreign papers against a trifle payment to the sufferers.

"Being short of means for subscribing on all foreign papers, we are compelled to appeal to all Editors and Owners of some to support us in the good cause and therefore to ask you to do us favor by sending 2 free ex of yours very esteemed paper. We in our turn offer send you all cuttings concerning your paper. In case of consenting please let us know.

"We remain with utmost respects,

"Ours truly,

"The President, A. Andreysky.

"The Manager, Haring."

"We may add, by the way, that we have let our correspondence known, and have forwarded copies of our very esteemed paper."

### CATARRH CAN BE CURED

Kill the Germs by Breathing Hy-o-mei—Gives Quick Relief.

Many people who have suffered with catarrh for years naturally feel that the disease cannot be cured, and become discouraged.

Their failure to get relief is due to the fact that they have not used the right remedy. Catarrh is an infection of the head, throat and lungs, and cannot be cured by stomach dosing.

The only scientific and natural treatment for this disease is Hy-o-mei, which is breathed through a neat pocket inhaler, so that its healing medicated air reaches the most remote air-cells, kills all catarrh.

Hy-o-mei is the only cure for catarrh that has ever been sold with the understanding that it was to cost absolutely nothing unless it cured. C. H. Gunn & Co. sell Hy-o-mei in this city and are always ready to refund the money if it does not relieve and cure catarrh.

The healing and antiseptic balsams of Hy-o-mei perform their purpose to perfection, and by using this remedy for a few times each day, you can soon cure yourself of any catarrhal troubles.

A complete Hy-o-mei outfit, consisting of a bottle of Hy-o-mei and an inhaler, costs but \$1.00.

Dignity and love do not blend well, nor do they continue long together.
