of Justice, granting amnesty for all political offencess.

Holland Too.

The Hague, June 23.—The Minister of the Netherlands, at Belgrade, has been instructed to leave that city before the arrival of King Peter at the Servian capital.

Moat House Murder Trial.

London, June 23.—The trial of Samuel Herbert Dougal, on the charge of murdering Miss Camille Holland, a wealthy woman with whom he lived at the Moat House, Saffron-Walden, Essex, which began at Chelmsford yesterday, was continued to-day. The immovable stoicism of the prisoner since his arrest continues to be one of the most-rest continues to be one of the moststoicism of the prisoner since his arrest continues to be one of the most's
interesting features of the proceedlags. The prosecution closed its
case this morning, and Dougal, to
the end. listened apparently unmoved to the accumulation of circumstantial evidence. The court
was again crowded, women being
especially anxious to obtain an entrance. The evidence presented
was simply a reiteration of the testimony at the inquest.

MOB'S AWFUL VENGEANCE; NEGRO BURNED AT THE STAKE.

His Crime Was a Shocking One and So

Sunday's Excitement.

Wilmington, Del., June 21.—Two armed mobs, numbering in all about 150 mea, marched before sunrise this morning upon the New Castle County. Workhouse, where George White, a negro suspected of assaulting and shotguns, demanded that White be give up to them.

A telephone call to this city sent a squad of police to the Workhouse and the mob series and the mob mere white it to be wreek the building with dynamite to wreck the building with dynamite to get turn. Fearing another out.

A telephone were dispersed without trouble. They left, vowing they would have white if they had to wreck the authorities have equipped the Workhouse guards/e with return to the building, and there were used as sattering rams. About 300 men were in the guards, who the guards, who the guards, who the guards, who the sulding, and there were in a position where they could have Workers and riot guns sufficient to nothers and riot guns sufficient to a thousand the sulding, and there were in a position where they could have when the course of the policy and the sulding, and there were in a position where they could have when the sulding, and there were in a position where they could have a position where they could

Grief-Stricken the Little Fellow Tries to Cut His Throat.

St Louis, June 23.—Stung by grief and Lodge of the Order being held at Brantford to-day and to-morrow, Rev. Robert N. Burns, of Oshawa, formerly pastor of Simcoe Street Church, is in the city visiting relatives. His sister, Mass Susie C. Burns, goes to Chicago nextweek to visit another brother.

Mr. John Stepler, of Sarnia, arrived in the city last evening enroute for Winnipeg. He leaves to night for the west. During his brief stay in the city he is the guest of his nephew, Mr. T. H. Keller, No. 336 Main street west.

The following passengers were ticketed to-day for Montreal, persteamer Spartan, by E. Browne & Son: Mrs. Ronaldson, Mrs. P. Padden, Mrs. W. Potter, Misses I. Burns, M. Padden, M. Potter, J. Badeau, Messrs. St. Louis, June 23 .- Stung by grief and pointed it playfully at his sis

KILLED BY FLASHLIGHT POWDER.

Convict Deliberately Drops From a **Balcony to His Death.**

Chicago, June 23.-The explosion

A Convict's Suicide. Chicago, June 23.—The explosion of ninety pounds of flashlight powder in the basement of a residence at Berwin, caused the death of Mrs. Mary Willson, wrecked the house, and created a panic among the children of the Irving School on adjoining property.

The powder had become caked from dampness and Mrs. Willson was rubbing it vigorously between her hands to reduce it when it exploded. She was preparing it for a supply house.

AFTERMATH OF THE FLOOD: 177 BODIES RECOVERED.

Tillman, South Carolina's Lieut.-Governor Murderer, on Trial.

Heppner, Ore., June 23.—The clear-thodies have been recovered and ing away of the debris caused by thirty-five persons are missing. the flood is progressing rapidly. The sanitary conditions of the town at present are far better than had been hoped for, but every precaution is being taken to guard against an epidemic. Dr. Smith, who represents the State Board of Health, ordered alkali from the hills to be spread upon the streets. Four bodies were recovered yesterday.

One hundred and seventy-seen thirty-five persons are missing. Tillman seeks Change of Venue. Columbia, S. C., June 23.—Application for a change of venue for Jas. H. Tillman, former Lieut-Governor of this State, charged with the murder of N. G. Gonzales, editor of the State, that his city last January, was begun here yesterday.

Making their motion, the defendant showed no lill effects of his confinement. United States Senator Tillman seeks Change of Venue.

THE MAN IN OVERALLS

Do your share to make the Car-

Good-bye, Mr. Salton. I am afraid the Senate does know exactly where it is at in strike business.

Gamey is making a desperate efforto get out of the hole he tumbled

I must so down and see the burn-ing of that A. M. F., mortgage. Per-haps the Chief will go down with me.

Gamey talked a lot of tommy rot

I have an idea that King Peter s not to live very long. It will be Teamsters want \$4 a day. Wen; they've got the pull.

Brantford seems to be having all the fun. The last holiday they had the 12th. On the Twelfth they are to have the Orangemen,

That's right, ladies. Take time The Queen's statue must be the best. Either that or none at all.

eached me yesterday too late to be

Don't fret about the weather. It is In good hands. We would make a pretty mess of it if we had the running of it.

I am beginning to feel sorry for my Beach friends. It must have been rather dreary over there last even-

custom the Dundas lades have of entertaining the 77th on its re-turn from camp. No doubt the boys appreciate it.

We can't be too thankful to the Indone, and is doing to boom this good town

You never hear anybody talking of hard times do you? Laurier is certainly running things up to date. This chase after Glory Whalen'

murderers has degenerated into a sort of pigs in clover farce. If Col. Stoddart is alive, what was that they buried?

The Government has decided that silent contempt is the best way to treat Gamey's impudent harrangue, and perhaps it is right.

Frank Sullivan is such a scallawag, why did Gamey stoop to hor-row money from him?

A Hint to the knowing.

A word a cent,
With rapid pace
Came S. H. Kent
To insert an ad.
In Monday's Times
Tuesday he's glad
What the want ad. finds.

What the want ad finds.

HERE'S THE STORY.

The genial Assistant City Clerk,
Mr. S. H. Kent, was recently presented with a handsome cigar case.
To make a hong story short, he lost it. Like the sensible man that he is he advertised the loss in the Times' want column, which is carefully read by every householder. The finder, the Rev. Frank A. Robinson, Grant avenue, returned the case to the Times. On receipt of his keepsake. Mr. Kent complimented the Times upon the result of its usual success in restoring lost articles to their owners through the medium of the want ads.

STAND BY PRINCIPLE GF-MUNICIPAL CONTROL.

Strong Stand Taken Against Toronto & Hamilton Ry. Again,

Plans for Bay Front Improvement-Several Hundred Fine Young Trees Offered for the North End Park-Sub Committee Decides

have the railway declared to be for nave the railway declared to be for the general good of Canada, thereby that the Board of Works will decide the general good of Canada, thereby taking it entirely out of the control of the Ontario Legislature, and the interested municipalities. They made it their first business to press for the striking out of this clause. In case the Railway Committee at Ottawa allows the clause to stand the municipal representatives will press municipal representatives will press for amendments that will have the effect of overcoming the dangers which they fear. They will ask to have the word amendment of the con-out and "acquisition" substituted in the clause giving power to amalga-mate with the Hamilton Street Rail-way, Radial Railway, H. G. & B. mate with the Hamilton Street Rail-way, Radial Railway, H., G. & B. and other electric roads. The ob-ject of this is that they fear that if these local roads became amal-gamated with the new company the

its charter would prevail, relieving it of the obligations these companies are now under, and which they would still be under in case the roads were "acquired" by the T. & H. They also ask the adoption of the following clause; "The acquisition by the Company of any of the lines of railway mentioned in Section 9 of this Act shall not make such railway or any examples.

not make such railway or any ex-tensions thereof subject to the Railway Act of Canada, but/each of such lines of railway and any ex-tensions thereof shall be and re-main subject to the legislation and control of the Province of Ontario

Notwithstanding, Kingston is in many ways a nice place.

Were Gamey really to tell the truth Dr. Beattle Nesbitt would be kept busy explaining things.

I used to think Mr. Chamberlain was a statesman. But I see he is only a politician.

"If a man is in trouble or in a hole of any kind, it does not matter what side he is on, Jamie Stratton will help him out of it if he can. His hand is always in his pocket to assist," said a Peterboro' man to me last week.

I am beginning to feel sorry for my Beach friends. It must have been the politicians there is one there have been the beautiful to the rights and powers of local municipalities in the same manner and to the rights and powers of local municipalities in the same manner and to the rights and powers of local municipalities in the same manner and to the rights and powers of local municipalities in the same manner and to the rights and powers of local municipalities in the same manner and to the rights and powers of local municipalities in the same manner and to the rights and powers of local municipalities in the same extent as if this act or the have and the have decided to ask for the linesetton of the following clause:

Notwithstanding the provisions contained in this act or in the Railway Act, the Toronto and Hamilton Railway Company shall not have the right to construct or operate any part of its lines on or opublic pla

Mayor Morden is looking carefully into the finances of the various civic departments, and is not very well pleased with the outlook for keeping within the appropriations. Both the Board of Works and the Sewers Committee have been hit pretty hard in the matter of damages and costs that have fallen to them from former years. To keep within their estimates both will have to cut things very fine, especially the Sewers Committee, which has damages to pay in a couple of

At the conference in Toronto yesterday over the Toronto and Hamilton Railway bill the municipal repesentatives, between 15 and 20 in number, took a positive stand against the company's application to

Bay front improvement is beginning to attract attention outside of official circles, and an opportunity, is now offered the Parks Board to do something towards making that part of it which comes under the Board's control a park in reality. Ald. J. M. Eastwood has written to Chairman J. H. Tilden, informing him that, through the kindness of Mr. W. A. Hotton, he is able to offer the Board several hundred choice ornamental trees, suitable for park purposes. These trees may be set out in the coming fall, if the Board approves of the proposition, and will certainly do much towards improving that part of the circles.

City Engineer Barrow has had a lan of the water front made, showplan of the water front made, showing the soundings to sixteen feet of
water. That depth is obtained before
the head of Myles' wharf is reached,
and the Engineer thinks the city
should be able to get patents to the
water lots to that depth, which
would, by sheet piling from the
wharf property to Wellington street,
and then to the shore, give a fine
deep front for the future shipping
needs of the city, as well as a large
territory to reclaim for park, building site or other purposes.

Miss M. J. Nisbett, corresponding secretary of the Queen Victoria Miss M. J. Missett, corresponding secretary of the Queen Victoria Memorial Statue Committee, has written Mayor Morden asking, on behalf of the committee, that per-mission be granted to erect the statue in Gore Park, and that the site be dedicated during Carnival week.

Building permits have been taken out by Geo. H. Milne for an addition to the dwelling at the northeast corner of Hughson and Maria streets.

REDISTRIBUTION BILL AGAIN BEFORE COMMITTEE.

Provinces of Manitoba and Ontario Subjects of Discussion.

bution Committee to-day the Province of Manitoba was taken up. There were two plans before the committee, one prepared by the Liberals and one by the Conservatives. Dr. Roche, M. P., was first heard. He said that in preparing their plans they had rigidly adhered to municipal boundary lines, In no case had they departed from this except in unorganized districts. In the Liberal plan, he said, the municipal boundary line had not been adhered to, but there was on the whole very little difference, but when the two plans, in one instance a municipal boundary was cut up by the Liberals, in Brandon, and the Conservatives left the Province as it was, while the Liberals proposed to cut off a portion east of the Red River, including St. Boniface, where Mr. Lariviere lived. What the Liberals called Macdonald the Conservatives called Dufferin, and what the Liberals called Portage la Prairie they called Macdonald. The new constituency of Dauphin would have 24,000 of a population by the Conservatives plans, and a little over 23,000 by the Liberals and Grand. bution Committee to-day the Pro-
