A SECOND WORD TO ALL NEW BRUNSWICKERS.

In my appeal to you a few days ago I sought to show you that Self Interest was a compelling reason for aiding the 1919 Victory Loan. Today I ask you to consider an equally compelling reason, the obligation of Self Respect in maintaining our obligations. War forced our government to make enormous expenditures, assume tremendous responsibilities and incur immense obligations. Among these obligations were:

The cost of bringing our soldiers home, and paying them until discharged, including hospital and medical attendance.....	\$200,000,000
War gratuities to our soldiers still unpaid.....	61,000,000
Vocational training and medical attendance for returned soldiers after discharge.....	33,000,000
Loans to returned soldiers for stock and implements to enable them to settle on the land.....	24,000,000
	\$318,000,000

Every Dollar of this total of \$318,000,000 is a direct obligation of the war.

That Two Hundred Million spent to bring the boys home should be cheerfully provided but more cheerfully than the hundred and eighteen millions which is to be spent in fulfilling our promises, in meeting the obligations assumed when they went overseas.

The Debt of Honor is a debt which must never be questioned and no debt of honor has the appeal of that of Canada to her gallant sons. There is only one way to meet it. Subscribe to the limit for Victory Bonds. Self Respect demands that of us.

T. H. ESTABROOKS,

Report of Victory Loan Campaign

Yesterday three districts in the province won the Prince of Wales special banner by attaining their objective in the Victory Loan Campaign. The aggressive and hustling districts are Southampton-Queensbury, in York County; Napagon, in York County, and Westfield, in King's county.

In St. John city and county the drive went on with undiminished vigor, 222 subscriptions being received, which totalled the excellent amount of \$169,200. This district, however, has not gained much more than one-sixth of its objective, which is \$4,000,000.

The total returns to date, by counties is as follows:

St. John city and county, 775 subscriptions totalling \$770,150

King's county, 36 subscriptions, totalling \$24,050.

Madawaska, 262 subscriptions, totalling \$74,800.

Queens-Sunbury east 26 subscriptions, totalling \$21,900.

Queens-Sunbury west, six subscriptions, totalling \$8,000.

Upper Gloucester, 119 subscriptions, totalling \$246,850.

Restigouche, 93 subscriptions, totalling \$30,200

York, 166 subscriptions, totalling \$128,050.

Albert, eleven subscriptions, totalling \$5,550.

Westmorland, 867 subscriptions, totalling \$235,900.

The total amount raised by the province to date is \$1,838,000—slightly over one fifth of the objective of \$9,000,000 which represents 2607 individual subscriptions.

WEDDINGS

CREIGHTON—BEEK

At St. Andrew's manse, Wednesday evening, Oct. 29th, Miss Eva Beek daughter of Mr. and Mrs. James Beek of Ferry Road was united in marriage to Mr. Elmer Creighton son of Mr. and Mrs. Geo Creighton of Ferry Road. Rev. Dr. Wylie performed the ceremony.

The bride wore a suit of navy blue with turquoise blue hat. A dainty supper was served at the home of the bride's parents, to immediate friends and relatives after which the happy couple drove to the home of the groom's parents where they will reside. The bride received many beautiful and useful presents among which were cut glass and silver and their many friends wish them a long and prosperous life.

HINDLEY—CLARKE

A pretty wedding was solemnized on Wednesday, Oct. 29th, at the home of Mr. and Mrs. J. J. Clarke, Millerton, when their daughter Annie Edna was united in wedlock to Mr. Fred Hindley of Portage la Prairie, Manitoba. The bride entered the room on the arm of her father to the strains of Lohengrin's wedding march, played by her sister, Miss Hazel Clarke. The ceremony was performed by Rev. W. McN Matthews of the Presbyterian Church in the presence of immediate relatives. Many beautiful and useful gifts testified to the popularity and esteem in which the bride is held, one being a cabinet of silver from the Branch Office in Ottawa where she has recently been employed. Other gifts included silverware, china, cut-glass, furs, linen, aluminium ware and money. After the wedding a dainty lunch was served after which the happy couple left on the Ocean Limited accompanied with much rice and confetti and many good wishes. They will reside in Portage la Prairie.

The income tax act as it relates to Victory Bonds does not affect the small investor at all.

Y.P.S. of Baptist Church Social

The young peoples society of the Baptist church held a very enjoyable social in the new parsonage on Tuesday evening Oct. 25th. Lunch was served and candy sold, the proceeds amounting to over \$20.00 going towards paying the electric light fixtures for the parsonage which the Young Peoples Society volunteered to supply.

On Wednesday evening the annual business meeting of the Church was held in the vestry of the Church with a goodly number in attendance. The reports from the treasurers of the different funds show largely increased amounts being raised over past years and the various committees also reported progress in all branches of the work. Good strong committees were appointed for the coming year and the outlook is bright for more progressive work.

On Thursday evening the annual roll call of the church was held, and the Church was fortunate in securing the services of Rev. S. S. Poole of German St. Baptist Church, St. John who addressed the meeting. Mr. Poole is a very forceful and eloquent speaker and his address was very much enjoyed by all present. The attendance at this service was good and a large number of the Church members responded to their names at the roll call.

TEA AND SALE.

The afternoon Tea and Apron Sale which is to be held in St. James Hall, on Thursday Nov. 6th in aid of the Miramichi Hospital is an event which all should participate in and make it a success. All are requested to attend and the ladies are leaving no stone unturned in their preparations to give every one a good time.

To do your share in keeping Canada's farms and factories busy you must subscribe liberally to the Victory Loan 1919.

Forward Movement Convention

The first of a short series of conventions in the interest of the Forward Movement in the Presbyterian church, was held in St. James' Hall on Thursday under the auspices of the Presbytery of the Miramichi.

Rev. F. W. Thompson, the Presbytery convenor occupied the chair and Rev. J. H. A. Anderson was appointed secretary. The Miramichi section of the Presbytery was well represented by laymen and clergy. Among those who delivered addresses and read short papers on the different features of the Movement were Rev. D. McL. Smith, inter-church organizer, Rev. L. H. MacLean, Newcastle, Rev. W. McN Matthews, Millerton, Rev. Geo. Grant, Blackville, Rev. Alex. Pirth, Douglastown, Rev. J. H. A. Anderson, Chatham and Messrs. E. A. McCurdy, Newcastle, N. B. and George Harper, Millerton.

The speaker outlined the main objectives of the Movement as follows: 1. Intercession; 2. Family Worship in Every Home; 3. Personal Evangelism; 4. Religious Education; 5. Life Service; 6. Missionary Education; 7. Stewardship; 8. Money.

The chairman outlined the main on the position of the church as the institution in which we have confidence and through which we must work out to its fullest extent the Forward Movement.

Mr. Thompson spoke with intense spirit on the exalted church of Christ and its ministry and agencies as the God ordained instrument for winning the world for Christ.

The convention proved very helpful and suggestive to those who had the privilege of being present and it is hoped that every congregation of the Miramichi will be fully organized by each minister and session and that the different objectives of the Forward Movement will be fully realized in the districts represented at the convention.

"The Probation Wife"

The story is about a girl who, after having spent most of her life in a safe and two years in a reformatory, offers herself to a wealthy New Yorker in exchange for clothes and the luxuries of life. Much to her surprise, he marries her. She calls herself his probation wife. The term of probation does not last long when love enters their life.

"The Probation Wife" is the kind of a picture that will appeal to all classes. It is a human story about a very human girl. Norma Talmadge is given an opportunity in this picture to display that originality and versatility for which she has become famous. She gives Joe Mowbray three distinct characterizations. We see her as an inmate of a cabaret dive, then in a reformatory, and lastly as the wife of a wealthy New Yorker. Miss Talmadge plainly shows you the growth of the heart and soul of the girl who did not have a fair chance.

"The Probation Wife" is far the best picture that Norma Talmadge has yet done.
