

Local and General News

ARMISTICE DAY
On Sunday, November 11th, Armistice Day, the usual two minutes of silence following 11 o'clock a.m. was observed.

BENEFIT NIGHT
Last night and tonight, the local G.W.V.A. are holding their annual benefit nights at the Opera House. Good music and pictures have been secured and all are respectfully requested to attend.

A SURE SIGN
The fountain in the public square was covered over last Thursday for the winter months. This is a fairly sure sign that the beautiful will soon be with us.

"ARMISTICE DAY" WINDOWS
The display windows of Stables' Grocery and G. M. Lakes' Store for the commemorative of Armistice Day, were subjects of much favorable comment. Those responsible for the dressing of the above mentioned windows have shown much taste, thought and labor and are deserving of the highest commendations on their artistic capabilities.

THANKSGIVING DAY
Thanksgiving Day (yesterday) was observed here as a general public holiday. Banks, stores, public and private offices were all closed and services were held in several of the churches. The weather was ideal and many people enjoyed the day by either motoring or driving into the country districts.

COMMUNITY SALE
The merchants of Newcastle will hold a "Community Sale" on Thursday, Friday, and Saturday of this week. You are invited to attend this great sale, and the merchants assure you that they have gone the limit to present values which have hitherto been unknown. It is a big undertaking on the part of the merchants and all and sundry should take advantage of this sale to purchase their requirements.

SEWING CIRCLE GOSSIP
There was some discussion at the Circle this week about buying coffee in bulk. It was found that the majority of our members had abandoned this practice and were now ordering LUXOR ORIENTAL COFFEE in one pound air-tight tins. These tins preserve the original strength and flavor of the coffee, so that it has the same delicious flavor and aroma as though it had just come fresh from the roaster.

MUST HAVE PERMITS
The Miramichi Lumber Company has issued orders prohibiting hunters from trespassing on their lumber lands in the Parish of Stanley with out a permit. In previous seasons parties of amateur hunters from points down the line of the Trans-continental Railway have roamed over the company's lands shooting at everything in sight and occupying and messing of the vacant lumber camps. It is with the object of putting a stop to this sort of thing and protecting their teamsters from stray bullets that the company has issued the prohibitory order.

THANKED THE GOVERNMENT
Rev. Father Ryan of Red Bank, which received a severe blow in the forest fires of last summer, appeared before the Provincial Government Tuesday morning and expressed the thanks of the people of that village for assistance given them by the executive.

TO CONTEST KENT
It has been decided to contest the federal seat in Kent County, vacated by the death of Auguste Leger, M.P. A Conservative convention will be called shortly for the nomination of a candidate. The Liberals are also active and a meeting of the executive is to be called for the purpose of naming a date for the Convention.

There are two things to think of when you buy tea. One is the flavor, the other the number of cups it will make per pound. MORSE'S SELECTED ORANGE PEKOE is by general consent the finest flavored tea sold in this market. So much for number one. But it is also an economical tea, that is to say; it will make as many cups to the pound as any other tea in the world.

ST. ANDREW'S CHURCH
The Rev. H. M. Trivett of the Church of England Missionary Diocese of Honan, China, now in Canada on furlough, preached at the evening service in St. Andrew's Church.

On Sunday morning, Armistice Day, a short Commemorative Service at 12.15 was held at the Memorial Cross in St. Andrew's Churchyard. The G.W.V.A. were present and the "Last Post" and "Reveille" were sounded.

I O D E. MEETINGS
The semi-annual meetings of the Provincial Chapters of the Daughters of the Empire were held last Thursday in the Town Hall, Chatham, the opening session being held at 10.30 a.m., and the afternoon at 2 o'clock. Interesting papers and addresses, such as "League of Nations Society", "Save the Children Fund", and "Children of the Empire" were given and discussed by some of the cleverest women in New Brunswick. The meetings were intensely interesting and much enjoyed by the members of the organization.

In The Frozen North

Scenes of "The Snow Bride" Filmed in Upper Canada.
Alice Brady and her supporting company of Paramount players with Henry Kolker, director, and his technical staff spent several weeks in the frozen North filming the snow scenes for "The Snow Bride", a French-Canadian story by Sonya Levien and Julie Henne which comes to the Opera House Wednesday and Thursday. The company worked in the vicinity of Tem-Kip, a fur camp, on Lake Temiskaming 200 miles northwest of Montreal, in temperatures which ranged from 30 to 40 degrees below zero. Frozen noses, ears, fingers and toes were not uncommon among the members of the troupe, but barring a frost-nip or two, Miss Brady escaped because, as she explained, "I wore everything including the kitchen stove."
The company completed the picture at the Paramount Long Island studio where all the interior scenes were filmed. Among those with Miss Brady in the North were Maurice B. Flynn, Mario Majeron, Nick Thompson, Jack Baston, Stephen Gratton, W.M. Cavanaugh and Margaret Morgan.
