Would cause great discomfort and loss, but fortunately it is seldom known. A vast amount of misery is caused at this season, however, by impoverished blood, poor appetite and general debility. These conditions may be remedied by enriching the blood and toning the stomach with Hood's Sarsaparilla. This medicine seems to put new life into the whole physical system, simply because of its wonderful power to purify, enrich and vitalize the blood, create an appetite and invigorate the digestive functions. We advise you to get a bottle and try it if you are not feeling just right. It will do you more good than a six weeks vacation. It is the best medicine that money can buy.
