NOTICE!

Sealed Tenders addressed to the Minister of Marine and Fisheries and marked "Tenders for Reconstruction of West Pier of the King's Wharf" will be received at the Office of the Minister of Marine and Fisheries up to and including the fifth day of August next, at four p.m., for the performance of the necessary work in connection with the reconstruction of the western portion of said wharf.

Specifications and plans of the work required may be seen at the Office of Marine and Fisheries at any time by persons who intend submitting Tenders, and "Form of Tender" may be obtained from the said office upon application.

Any person or Firm submitting Tender must be prepared to deposit with the Minister of Finance and Customs within three days after the acceptance of their tender a sum of money equal to five per cent. of the amount of same, and to execute a contract for the due performance of the work when called upon to do so. They will also be required when submitting tenders to enclose a certified cheque or cash to the amount of Two Hundred Dollars which shall be open to forfeiture in event of failure to enter into the necessary agreement for the performance of the work when called upon to do so.

The lowest or any Tender not necessarily accepted.

A. W. PICCOTT,
 Minister of Marine & Fisheries.

THE BIG LEAGUE SERIES.

By Bert L. Standish, 75c. ea.
 Here they are! Just what you've been looking for. Baseball and Romance combined, the most interesting stories ever written.

The author managed a league team a number of years ago and is thoroughly familiar with the doings of baseball players on and off the field. Father and son will find equal delight in reading these magnificent stories.

"Any Boy with Plenty of Grit," "Baseball at its Finest," and the Girl in the Case"—these are the elements which compose the most successful juvenile fiction ever written. You don't have to be a fan to enjoy these books; all you need to be is really human and alive, with plenty of red blood.

A. H. MURRAY.

July 24, 16.

IT'S A MOOT QUESTION WHETHER SUN OR RAIN MOST HURTS A ROOF, PLAY SAFE AND GET EVER-LAS-TIC.

It's made to resist the action of both sun and rain.

It isn't rubber—rubber rots, whilst EVER-LAS-TIC lasts.

If you're in doubt, ask your carpenter about EVER-LAS-TIC; he knows.
