PUBLIC NOTICE!

To Whom It May Concern:

The ENTIRE STOCK belonging to the London, New York and Paris Association of Fashion, will be offered for sale until every garment on their floors is disposed of.

The Youngest, Larg Concern on the street, full of life and vim, has now decided to set out in reality to still more please and transfer its business materials to the pleasing and encouraging town of St. John's.

Preparations are now under way for renovating and enlarging our present quarters. Within three months we hope to have our four floors running at their maximum. In order to do this we must dispose of the gigantic stock now accumulated on our floors.

Within Three Weeks we feel sure our entire stock will be depleted. Everybody in St. John's, Newfoundland, will take advantage of what we offer. We have inaugurated a public institute, backed and supported by the public, without whom we could not exist, we are existing, we will become the City's real Department store.

In order to do so we must have the town with us, so therefore will do as they would have done to themselves. We will offer our entire stocks at cost, even so considering advances of from 30 to 50 per cent. on all our lines.

Mr. Harris Goldstone will be on the main floor for the duration of sale, which means a repetition of British Hall Sales.
