Peace Between U.S. and Germany.

Times Protests Secrecy of Conference--D'Annunzio Again in the Limelight--Another Year for Anglo-Japanese Treaty.

CONFERENCE BY ACT OF CONGRESS.
WASHINGTON, July 1. The act of the compromise resolution of the state of war with Germany and Austria finally, was completed by Congress, and the message will be sent by a special messenger to President Harding at Harlan, tomorrow. He is expected to arrive immediately.

CONFERENCE SECRET.
LONDON, July 1. The secret against the secrecy surrounding the Dominion Conference is being broken by the London Times which says "No Camarilla reactionaries, but darkly against the liberties of people, has guarded the secrecy proceedings more jealously than any of the disciples of open diplomacy and democracy rule now assembled in Downing Street."

D'ANNUNZIO AGAIN.
FIUME, July 1. D'Annunzio's adherents are organizing their forces into a committee, which will respond to any emergency which arises here. The war cry is out to the former followers of the poet-soldier, and they are coming here, and have already ordered a body called "service trieste." D'Annunzio has sent out a message to Legionaries saying "This year is it belongs to Legionaries and we and we again consecrate our year in one vast and solemn bond."

PACIFIC TRIPLE ENTENTE!
LONDON, July 1. Reports that the Imperial Conference is considering a tripartite agreement between the United States, Great Britain and Japan, relative to renewal of the Anglo-Japanese Treaty, are given prominence by the Morning Post and other newspapers of this city. By such an agreement, it is declared, virtually a triple entente for the Pacific would be established.

MINERS ACCEPT TERMS.
LONDON, July 1. Frank Hodges, of the Miners' Union, issued an official statement in behalf of the Miners' Federation this evening to the effect that there had been an overwhelming vote in various districts in favor of striking coal miners accepting terms of the owners. The men will return to work without delay, the statement said.

A YEAR'S NOTICE NECESSARY.
LONDON, July 1. The Anglo-Japanese Treaty, Reuters News Agency to-day said, it understands will automatically continue in force another year. Such continuation arises from acceptance of the ruling of Lord Birkenhead, Lord High Chancellor, that failing formal denunciation the Treaty automatically continues.

JAPAN AND SIBERIA.
PEKING, July 1. Japan has entered into an agreement with the Chinese Government in Siberia to evacuate Siberia within four months, according to apparently authentic reports received here. The Chinese Government in return has promised Japan additional concessions on Saghalien, Japan or coastwise and river navigation privileges.

COAL STRIKE LOOSER.
LONDON, July 1. The British revenue for the last quarter is down nearly one hundred million pounds, according to reports, while the deficit will total fifty-seven million pounds. The Treasury estimates that recent coal strikes involving the state in seventy-five million pounds additional expenditure, but that loss in revenue cannot yet be estimated but prospect of a budget surplus has entirely disappeared.

WEEKLY MEETING.
The weekly meeting of the Municipal Council was held Thursday evening. Mayor Gosling presided. Councillors Morris, Ayre, Vincombe, Peet and Jackson were present. After the minutes of previous meetings were confirmed the following matters received attention.
Howley & Fox, solicitors for G. W. Summers, asked that arbitration on property of their clients near Windsor Lake, be proceeded with. The Secretary was directed to call a meeting of the arbitrators.
Howley & Fox asked why permit was refused Soon Lee to extend laundry at Rawlin's Cross. Plans of the proposed extension were also submitted. This matter was referred to a committee of Council and the Inspector General for investigation.
Offer of R. Walsh for one of the houses Cavell Street was accepted.
S. Lumsden's application for a share of patronage in supplying City Parks with trees, etc., was referred to the Park Caretakers.
J. Parker wrote in reference to his property, Park Hill a portion of which the Council intends expropriating. The matter of arranging compensation was left to the Secretary.
Tenders are to be called for the supplying of the Water Works and Sanitary Departments with Lead Pipe and Flay required.
The following plans were approved on condition water and sewerage are installed: D. Richards, for extension Buchanan Street, W. Cummings, for dwelling, Patrick Street.
Plans submitted by Lawrence Walsh Lime Street, and D. Munn, Topsall Road, for the erection of stables were referred to the Health Officer for report.
Mrs. Sarah Smith, New Gower Street, must forward proper plans of proposed erection before application will be considered.
Dr. G. N. Murphy will be given Street level to lay concrete sidewalk Duckworth Street.
Reports of City Engineer, Health Officer and Sanitary Supervisor were read.
The business before the meeting being disposed of and as this was the last meeting at which Mayor Gosling and Councillor Ayre would be present Councillor Morris referred to the good work done by these gentlemen during their tenure of office covering a period of seven years. That through the ability, devotion and constancy to the Council of Mayor Gosling many improvements made during the past few years were to-day an asset to the city. His work for better housing conditions and his efforts to provide a City Charter whereby the City would compare with other cities of a similar size much credit was due.
In Mr. Ayre the city was losing a representative who took a deep interest in civic matters and whose advice on financial and other Municipal problems could always be relied upon. He regretted that owing to business demands they could not continue for another term. Councillors Vincombe, Peet and Jackson endorsed the remarks of Mr. Morris and hoped that at some future date both would see their way clear to again represent the city they so faithfully served. Mayor Gosling thanked the Councillors for their kind words and also for the help given him. He was sorry that the Charter was not yet finalized but thought when it would come into operation much good would result. He referred to the assistance given him by Mr. Ayre and stated that in the resignation of that gentleman the city was losing a very valuable worker. The meeting then adjourned.

Valera went to his home in Clontarf and conferred with him. He also conferred with Professor John MacNeill who was released with Griffith. The Republican leaders are in general accord and will state their common case at a conference in the Mansion House here on Monday.

AMBUSHES SURPRISED.
BELFAST, July 1. A party of auxiliary police motor cars, scouring the country district today, surprised a score of "Republican Army" volunteers, who had prepared an ambush at Keady for ten policemen, the latter acting as an escort of a Belfast bread van through the district every Thursday. The auxiliaries opened on the ambushing party with machine guns, killing two of them, wounding several, and capturing one. Constable Gabbie on duty at Newry, was shot by two men to-day.
