M. BROWN-SEQUARD experimented upon the stiffened arm of an executed criminal, by lojecting warm blood into it; the muscles regained their contractility and their irritability. As the cutting off the blood is paralysis of nerve element, so a defleciency of blood is a cause of degeneration of nerve element. Fellows' Compound Syrup of Hypophosphites will cause the formation of healthy blood and consequent increased nervouspower, induce vital activity in debilitated constitutions, and tone all the organs dejadent for health on muscular or nervous strength.

Nine years before the public, and no preparation for the hair has ever been produced equal to Hall's "Vegetable Sicilian Hair Renewer," and every honest dealer will say it gives the best satisfaction. It restores GRAY HAIR to its original color, eradicating and preventing dandruff, curing BALDNESS and promoting the growth of the hair. The gray, and brashy by a few applications is changed to black and silky locks, and wayward hair will assume any shape the wearer desires. It is the cheapest HAIRDRESSING in the world, and its effects last longer, as it excites the glands to furnish the nutritive principle so necessary to the life of hair. It gives the hair that splendid appearance so much admired by all. By its tonic and stimulating properties it prevents the hair from falling out, and none need be without. Nature's ornament, a good head of hair. It is the first real perfected remedy ever discovered for curing diseases of the hair, and it has never been equalled, and we assure the thousands who have used it, it is kept up to its original high standard.
