IMPROVE NUTRITION.—The central idea in the treatment of all Chronic and Wasting Diseases, resulting in Nervous Prostration and General Debility, is to improve the Digestion and Assimilation of Food, and the Formation of Healthy Blood. Dr. Wheeler's Compound Elixir of Phosphates and Calceias contains the only agents known that act directly as excitants of nutrition, by imparting tone to the Stomach, Liver and Pancreas, the great tripod that prepares nourishment for building up the organs and tissues of the body. The action of this remarkable preparation is extraordinary in strength and vitalizing the constitution, when impaired by age, or exhausted by excesses, bad habits, or run down by old complaints that have resisted all ordinary methods of treatment. Being a delicious cordial to take, and perfectly harmless under all circumstances, it is only newly adapted to prostrate anemic women and delicate children.
